

## **Public Notice by Bharat Heavy Electricals Limited (BHEL)**

**13<sup>th</sup> May, 2025:** Bharat Heavy Electricals Limited (BHEL), a Public Sector Enterprise under the Ministry of Heavy Industries, upholds an unwavering commitment to merit based, transparent recruitment practices. BHEL acknowledges the concerns raised regarding alleged irregularities during the recruitment examination conducted on 11<sup>th</sup> April 2025 for the induction level position of Supervisor Trainee in the Mechanical Discipline.

Following a comprehensive investigation based on specific allegations received, we wish to inform all stakeholders, candidates, and the general public that the detailed audit log analysis conducted by EdCIL (India) Limited, our authorized agency for conducting the Computer-Based Test (CBT), has confirmed that the irregularities were **confined exclusively to a single examination centre: Xeon Technologies Examination Centre, Vizag City** and pertained only to the examination for the post of **Supervisor Trainee – Mechanical**.

EdCIL (India) Limited further reaffirms that **there is no evidence of compromise or malpractice in any other examination centres, cities, or disciplines** across India. We confirm that the integrity of examinations for all other posts and centres remains fully intact and uncompromised.

BHEL treats any breach of examination integrity with the utmost seriousness. Consequently, we have taken the decision to **annul the examination** conducted for the **Supervisor Trainee – Mechanical position** at the **affected centre only**. A re-examination for the candidates impacted by this decision will be organised with enhanced monitoring protocols and stringent security measures to ensure complete transparency. All affected candidates will receive individual notifications regarding the revised examination schedule in due course.

We reaffirm to all aspirants and stakeholders that BHEL's dedication to maintaining fairness, transparency, and meritocracy in its recruitment processes remains unwavering. We sincerely appreciate the patience and understanding demonstrated by all candidates during this process and remain fully committed to preserving the integrity of our recruitment system.
