Question Label: Comprehension

निम्नलिखित गद्यांश पढ़िए । पूछे गये प्रश्नों के 31-35 उत्तर पहचानिए ।

नागरिक के कर्तव्य और अधिकारों की समष्टि को नागरिकता कहा जाता है। नागरिकता के अभाव में मनुष्य न तो समाज का आवश्यक अंग बन पाता है और न राज्य का। इसके बिना मनुष्य का जीवन एक प्रकार से या तो पशुवत् हो जाता है या महान् विरागी संन्यासी के समान, जिसका सांसारिकता से कोई संबंध नहीं होता। अतः नागरिकता हर मनुष्य को नागरिक बनाने के लिए आवश्यक है। सदाचार का अर्थ है - सात्विक व्यवहार। किंतु साधारण अर्थ में इसका प्रयोग उन सभी व्यवहारों और कार्यों के लिए होता है जो समाज द्वारा हो और अच्छी सामाजिक क्रियाओं को नियंत्रित करता हो। समाज को व्यवस्थित और स्पंदित रखने के लिए इसकी आवश्यकता होती है। झूठ न बोलना, चोरी न करना, किसी को अनावश्यक ढंग से न सताना आदि सदाचार माने जाते हैं। सदाचारों को अपनाकर दुराचारों का त्याग करना चाहिए क्योंकि इनसे समाज में आव्यवस्था उत्पन्न होती है तथा समाज का ढाँचा लड़खड़ा जाता है। समाज उन्हीं गुणों का आदर-सम्मान करता है जो सामाजिक विधियों को दृढ़ बनाने में सहायक होते हैं। इन गुणों के आचरण से मनुष्य उत्तम नागरिक बनकर बहुजन हिताय और बहुजन सुखाय की धारणा को सार्थक कर सकता है।

Read the following passage and answer the questions from 61-65. Choose the correct option for each question.

One cannot forget the joyfulness of one's childhood. Childhood is the stage of our life in which the smallest of things gives immense pleasure. Children often do not feel happy with costly things if it does not arouse any curiosity in them. If we remember our childhood days, we can say, we were happy with things which we could collect on our own, be it a piece of copper wire or a pebble or some caps of bottles. We were often ready to play with our friends without knowing that we were learning a lot through those plays, toys and games.

Now, that beautiful phase of our lives which we have walked past comes before us when we observe our children as a teacher or a parent/guardian or a caregiver. As we did in our childhood, our children also love to create boats and aeroplanes from paper. They like to take rides on a tricycle, enjoy splashing water, try to catch soap bubbles, love the company of pets, play with colourful toys, and get engaged with board games and electronic games for hours.
