Learning Outcomes based Curriculum Framework (LOCF)

Classification of qualifications based on learning outcomes is an important recommendation of National Education Policy (NEP) 2020. UGC has initiated the task of developing subject-wise Learning Outcomes based Curriculum Framework (LOCF) as per the policy.

The UGC has developed draft LOCFs for nine subjects so far. The draft LOCF will serve as a model curriculum to promote flexibility and innovation in programme design and syllabi development.

Please find the draft LOCFs for subject viz. Anthropology, Chemistry, Commerce, Economics, Geography, Home Science, Mathematics, Physical Education and Political Science attached herewith for suggestions/feedback. In order to obtain views from stakeholders on the draft LOCF, a Google form is attached herewith. I request you kindly to share your valuable feedback on the draft LOCFs on or before 20.09.2025 in the Google form link given below:
