Desirable: Candidate having experience in the field of Fingerprint Science/ Questioned Document or relevant field.
	Forensic Chem / Bio	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc. in Forensic Science with specialization in the appropriate branch OR first class or equivalent Master Degree in Chemistry/ Forensic Chemistry/ Applied Chemistry/ Biology/ Biochemistry/ Biotechnology/ Human Biochemistry/ Microbiology/ Genetics/ Molecular Biology/ or concerned/allied/relevant discipline from recognized university with very good academic record throughout. Desirable: Candidate having experience in the field of Physics/ Chemistry / Biology or concerned/allied/relevant field.
	General Forensic Science	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc. in Forensic Science or concerned/allied/relevant discipline from recognized university with very good academic record throughout. Desirable: Candidate having experience in the field of Forensic Science
	Forensic Multimedia/ Cyber Forensics	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc./M.Tech in Forensic Multimedia/ Cyber Forensics or concerned/allied/relevant discipline from recognized university with very good academic record throughout. Desirable: Candidate having experience in the field of Forensic Multimedia/ Cyber Forensics.

School of Medico Legal Studies	Toxicology	(i) Ph.D. in Toxicology/ or other concerned/allied/relevant discipline; (ii) A minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc. in Forensic Science with specialization in Toxicology OR M.Sc. in Toxicology or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: (i) Candidate having experience in the field of Toxicology or concerned/allied/relevant field. (ii) The candidate possessing a Degree in Forensic Toxicology and concerned/allied/relevant field.
	Forensic Nursing	(i) Ph.D. in Nursing/ Forensic Anthropology/ Forensic Science/ Humanitarian Forensics or other concerned/allied/relevant discipline. (ii) A minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc. in Forensic Science with specialization in Forensic Nursing, Humanitarian Forensics, Forensic Anthropology OR M.Sc. in Nursing/ Anthropology/ M.Pharm from recognized university or equivalent with very good academic record throughout. Desirable: (i) Candidate having experience in the field of Medico Legal Studies/ Nursing/ Anthropology/ Humanitarian Forensics/ Disaster Management or concerned/allied/relevant field. (ii) The candidate possessing a Degree/ Diploma in Forensic Nursing.
School of Engineering & Technology	Forensic Structural Engineering/ Civil Engineering	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Tech./ M.E. in Civil Engineering or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: Candidate having experience in research & analysis in the field of structural engineering/ forensic structural engineering or concerned/allied/relevant discipline.
	Environmental Engineering/ Environmental Forensics	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. 1. Master's degree in Environment Science or concerned/allied/relevant discipline. 2. Master's degree M.E. or M. Tech. in Environment Science and Engineering/ Environmental Engineering/ Environmental Engineering & Management or concerned/allied/relevant discipline. Desirable: Candidate having experience in research & analysis in the field of Environmental Engineering/ Environmental Forensics or

		concerned/allied/relevant discipline.
School of Pharmacy (SPH)	Pharmacology	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Pharmacy/ Forensic Pharmacy with specialization in Pharmacology or concerned/allied/relevant discipline with a very good academic record throughout. *For faculty in Pharmacy, the Registration as Pharmacist under Pharmacy Act is mandatory. Desirable: Candidate having experience in Pharmacology or other concerned/allied/relevant fields.
	Novel Drug Delivery System	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Pharmacy/ Forensic Pharmacy with specialization in Pharmaceutics/ Industrial Pharmacy/ Novel Drug delivery system/ Pharmaceutical Technology/ Regulatory Affairs or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. *For faculty in Pharmacy, the Registration as Pharmacist under Pharmacy Act is mandatory. Desirable: Candidate having experience in the field of Pharmacy/ Forensic Pharmacy or concerned/allied/relevant field.
	Pharmaceutical Regulatory Affairs	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Pharmaceutical Technology/ Regulatory Affairs or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: Candidate having experience in the field of Pharmacy/ Forensic Pharmacy or concerned/allied/relevant field.
	Forensic / Pharmaceutical Chemistry	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Pharmacy/ Chemistry/ Pharmaceutical Chemistry/ Applied Chemistry or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: Candidate having experience in the field of Forensic/ Pharmaceutical Chemistry.

	Pharmaceutical Quality Assurance	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Pharmaceutical Quality Assurance/ Pharmacy/ Pharmaceutical Chemistry or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: Candidate having experience in the field of Pharmaceutical Quality Assurance.
School of Management Studies (SMS)	Forensic Accounting/ Accounts/ Finance/ Taxation	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Commerce/ Accounting/ Management/ Economics or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. (Note: Chartered Accountant shall be considered equivalent to Master Degree). Desirable: Candidate having experience in the field of Forensic Accounting/ Financial Forensic/ Taxation/ CA or concerned/allied/relevant fields.
	Data Analytics & Business Intelligence	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Data Science, Data Analytics/ Business intelligence/ Business Analytics/ Computer Science/ Information Technology or concerned/allied/relevant discipline from a recognised university with a good Academic record. Desirable: Candidate having experience in the field of Forensic Accounting, Data Analytics, Data Science, Business Intelligence and relevant fields.
	Digital Forensic/ Cyber Security/ IT Auditing	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. M.Sc./ MCA/ ME/ M.Tech in Computer Science and Engineering/ Information Security/ Cyber Security / Digital Forensics/ Cyber Forensics/ Network Technology/ Data Science/ Information Technology or concerned/allied/relevant discipline from a recognized university or equivalent with very good academic record Desirable: Candidate having experience in the field of Digital Forensic/ Cyber Security/ IT Auditing or concerned/allied/relevant fields.

	Hospital and Healthcare Management	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Hospital /Healthcare Management or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout. Desirable: Candidate having experience in the field of Hospital & Healthcare Management or concerned/allied/relevant fields.
School of Police Science and Security Studies (SPSSS)	Homeland Security / Internal Security	Ph.D. Degree in the concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master Degree in Homeland Security or Police Science/ Police Administration/Security Studies /CBRN (Chemical, Biological, Radiological and Nuclear) / Disaster Management or Defense Studies or concerned/allied/relevant discipline from recognized university or equivalent with very good academic record throughout.
	Police Science & Police Administration	Desirable: (i) Candidate having experience in the field of Policing/ Defense/ Security and concerned/allied/relevant domain. (ii) Candidates possessing Degree/Diploma in Humanitarian Forensics/Disaster Management.
School of Law, Forensic Justice and Policy Studies (SLFJPS)	Law	Ph.D. Degree in the LAW or concerned/allied/relevant disciplines with a minimum of 60% (or an equivalent grade in a point-scale, wherever the grading system is followed) at the preceding degree in concerned/allied/relevant discipline i.e. Master degree in law from a recognized University or equivalent with a very good academic record throughout.
