

**CBSE Deleted Syllabus For Class 9 English:** Syllabus is one of the most important things if you need to score good marks in your board examinations. Being updated with the current syllabus and preparing the study flow according to the syllabus and time remaining is very important for the students. English is a language subject and you can score good marks if you practice well for reading and writing section. Scoring good marks in English can make you overall percentage higher.

## CBSE Class 9 English Deleted Syllabus 2020

As during the current Covid-19 situation, schools and students got a major hit in their education, the level of study and the mode of study. CBSE considered all this and decided to reduce the syllabus for each class by 30% accordingly. For this examination year, the reduced syllabus will be used for preparing board examinations this academic year. Here, you will see the standard weightage of marks for each unit and the deleted topics from each unit.

The table shown below shows the weightage of marks to each unit in Maths subject according to CBSE.

SECTION	NAME	MARKS
