2.1 GENERAL

The Directorate General of Training (DGT) under Ministry of Skill Development & Entrepreneurship offers a range of vocational training courses catering to the need of different sectors of the economy/ labour market. The vocational training programs are delivered under the aegis of Directorate General of Training (DGT). Craftsman Training Scheme (CTS) with variants and Apprenticeship Training Scheme (ATS) are two pioneer programs of DGT for propagating vocational training.

'Geriatric (Old Age) Care' trade under CTS is one of the popular courses delivered nationwide through a network of ITIs. The course is of one year duration. It mainly consists of Domain area and Core area. The Domain area (Trade Theory & Practical) impart professional skills and knowledge. While the core area (Employability Skill) imparts requisite core skills, knowledge, and life skills. After passing out the training program, the trainee is awarded National Trade Certificate (NTC) by DGT which is recognized worldwide.

Candidates broadly need to demonstrate that they are able to:

- Read and interpret technical parameters/documents, plan and organize work processes, identify necessary materials and tools;
- Perform tasks with due consideration to safety rules, accident prevention regulations and environmental protection stipulations;
- Apply professional skill, knowledge & employability skills while performing jobs.
- Document the technical parameters related to the task undertaken.

2.2 PROGRESSION PATHWAYS

- Can join as Geriatric Care Assistant/ Allied Health Assistant/ Aged Care Worker and further progress as Geriatric Care Supervisor/ Activity Group Coordinator/ Disability Services Coordinator and can rise up to the level of Geriatric Care Manager.
- Can join Advanced Diploma (Vocational) courses under DGT as applicable.
- Can join Apprenticeship programme in different types of industries leading to National Apprenticeship certificate (NAC).
- Can join Crafts Instructor Training Scheme (CITS) in the trade for becoming an instructor in ITIs.
- Can become Entrepreneur in the related field.

2.3 COURSE STRUCTURE

Table below depicts the distribution of training hours across various course elements during a period of one year: -

S No.	Course Element	Notional Training Hours
1.	Professional Skill (Trade Practical)	840
2.	Professional Knowledge (Trade Theory)	240
3.	Employability Skills	120
	Total	1200

Every year 150 hours of mandatory OJT (On the Job Training) at nearby industry, wherever not available then group project is mandatory.

4	On the Job Training (OJT)/ Group Project	150	l
---	--	-----	---

Trainees of one-year or two-year trade can also opt for optional courses of up to 240 hours in each year for 10th/ 12th class certificate along with ITI certification or add on short term courses.

2.4 ASSESSMENT & CERTIFICATION

The trainee will be tested for his skill, knowledge and attitude during the period of course through formative assessment and at the end of the training programme through summative assessment as notified by the DGT from time to time.

- a) The **Continuous Assessment (Internal)** during the period of training will be done by **Formative assessment method** by testing for assessment criteria listed against learning outcomes. The training institute have to maintain individual *trainee portfolio* as detailed in assessment guideline. The marks of internal assessment will be as per the formative assessment template provided on www.bharatskills.gov.in.
- b) The final assessment will be in the form of summative assessment. The All India Trade Test for awarding NTC will be conducted by Controller of examinations, DGT as per the guidelines. The pattern and marking structure is being notified by DGT from time to time. **The learning outcome and assessment criteria will be basis for setting question papers for final assessment. The examiner during final examination will also check individual trainee's profile as detailed in assessment guideline before giving marks for practical examination.**

2.4.1 PASS REGULATION

For the purposes of determining the overall result, weightage of 100% is applied for six months and one year duration courses and 50% weightage is applied to each examination for two years courses. The minimum pass percent for Trade Practical and Formative assessment is 60% & for all other subjects is 33%.

2.4.2 ASSESSMENT GUIDELINE

Appropriate arrangements should be made to ensure that there will be no artificial barriers to assessment. The nature of special needs should be taken into account while undertaking the assessment. Due consideration should be given while assessing for teamwork, avoidance/reduction of scrap/wastage and disposal of scrap/waste as per procedure, behavioral attitude, sensitivity to the environment and regularity in training. The sensitivity towards OSHE and self-learning attitude are to be considered while assessing competency.

Assessment will be evidence based comprising some of the following:

- Job carried out in labs/workshop
- Record book/ daily diary
- Answer sheet of assessment
- Viva-voce
- Progress chart
- Attendance and punctuality
- Assignment
- Project work
- Computer based multiple choice question examination
- Practical Examination

Evidences and records of internal (Formative) assessments are to be preserved until forthcoming examination for audit and verification by examining body. The following marking pattern to be adopted for formative assessment:

Performance Level	Evidence	
(a) Marks in the range of 60%-75% to be allotted during assessment		
For performance in this grade, the candidate	Demonstration of good skills and accuracy	
should produce work which demonstrates	in the field of work/ assignments.	
attainment of an acceptable standard of	 A fairly good level of neatness and 	

craftsmanship with occasional guidance, and due regard for safety procedures and practices

- consistency to accomplish job activities.
- Occasional support in completing the task/job.

(b)Marks in the range of 75%-90% to be allotted during assessment

For this grade, a candidate should produce work which demonstrates attainment of a reasonable standard of craftsmanship, with little guidance, and regard for safety procedures and practices

- Good skill levels and accuracy in the field of work/ assignments.
- A good level of neatness and consistency to accomplish job activities.
- Little support in completing the task/job.

(c) Marks in the range of more than 90% to be allotted during assessment

For performance in this grade, the candidate, with minimal or no support in organization and execution and with due regard for safety procedures and practices, has produced work which demonstrates attainment of a high standard of craftsmanship.

- High skill levels and accuracy in the field of work/ assignments.
- A high level of neatness and consistency to accomplish job activities.
- Minimal or no support in completing the task/job.

Home Based Personal Care Workers, Other include personal care workers who attend to various personal needs and in general provide personal care for persons in need of such care at their own homes because of physical or mental illness or disability or because of impairment due to old age not elsewhere classified

The following describes the primary responsibilities expected Geriatric (Old Age) care Job Functions:

- Assist with walking and light exercise, Plan and prepare meals, followed by clean-up, monitor food expiration dates, make future meals, make beds and change linens, as needed, Light housekeeping to include dusting and vacuuming, assist with bathing, dressing and grooming

4. GENERAL INFORMATION

Name of the Trade	GERIATRIC (OLD AGE) CARE	
Trade Code	DGT/1076	
NCO - 2015	5322.9900	
NOS Covered	HSS/N6005, HSS/N6006, HSS/N6008, HSS/N6010, HSS/N9622, HSS/N9401, HSS/N9402	
NSQF Level	Level-3	
Duration of Craftsmen Training	One Year (1200 hours + 150 hours OJT/Group Project)	
Entry Qualification	Passed 10 th class examination or its equivalent.	
Minimum Age	14 years as on first day of academic session.	
Eligibility for PwD	LD, CP, LC, DW, AA, BLIND, LV, DEAF, HH, AUTISM, ID, SLD	
Unit Strength (No. of Student)	24 (There is no separate provision of supernumerary seats)	
Space Norms	80 Sq. m	
Power Norms	2 KW	
Instructors Qualification f	or:	
(i) Geriatric (Old Age) Care Trade	B.Voc/Degree in Nursing or Midwifery from UGC recognized university with one year experience in the relevant field. OR Diploma (Minimum 2 years) in Nursing or Midwiferyfrom a recognized board of education or relevant Advanced Diploma (Vocational) from DGT with two-year experience in the relevant field. OR	
	NTC/ NAC passed in the "Geriatric (Old Age) Care" trade with three-year experience in the relevant field. Essential Qualification: Relevant Regular / RPL variants of National Craft Instructor Certificate (NCIC) under DGT.	

	NOTE: - Out of two Instructors required for the unit of 2 (1+1), one must have Degree/Diploma and other must have NTC/NAC qualifications. However, both of them must possess NCIC in any of its variants.		
(ii) Employability Skill	MBA/ BBA / Any Graduate/ Diploma in any discipline with Two years' experience with short term ToT Course in Employability Skills. (Must have studied English/ Communication Skills and Basic Computer at 12th / Diploma level and above)		
	OR Existing Social Studies Instructors in ITIs with short term ToT Course in Employability Skills.		
(iii) Minimum Age for Instructor	21 Years		
List of Tools and Equipment	As per Annexure – I		

Learning outcomes are a reflection of total competencies of a trainee and assessment will be carried out as per the assessment criteria.

5.1 LEARNING OUTCOMES

- 1. Identify the organizational hierarchy of Geriatric (Old Age) care, select and perform the duties and responsibilities following safety precaution. (NOS: HSS/N6008)
- 2. Develop communication skill for maintenance of office correspondence. (NOS: HSS/N6008)
- 3. Develop computer skill for maintain the data and office correspondence. (NOS: HSS/N6006)
- 4. Identify different physical and mental health related issues for Geriatric (Old Age) persons and comply the methods for solutions. (NOS: HSS/N6006)
- 5. Comply preservation of food and dietary requirement. (NOS: HSS/N6006)
- 6. Attain knowledge of health and hygiene. (NOS: HSS/N6006)
- 7. Attain required knowledge of sociology, physiology and anatomy for Geriatric (Old Age) care. (NOS: HSS/N6006)
- 8. Develop hands on skill for kitchen hygiene and housekeeping maintenance. (NOS: HSS/N9401)
- Apply practices for problem related physical effect like Locomotion, Paralysis, fracture, bed sores etc. Psychological effect like memory loss, exit tendency, depression, aggression, suicidal tendency etc. (NOS: HSS/N6008, HSS/N6008, HSS/N6010)
- 10. Identify, select and resolve the issue related to human health as per gender. (NOS: HSS/N6006)
- 11. Perform different types of drills to deal emergencies and execute fire and natural hazards. (NOS: HSS/N9402)
- 12. Organize and assist psychological counselling and organize social events. (NOS: HSS/N6006)
- 13. Assist for nursing care of Geriatric (Old Age) person and develop the skill for entertainment for Geriatric (Old Age) person. (NOS: HSS/N6008)
- 14. Practice Biomedical waste management and disposal. (NOS: HSS/N9622)

6. ASSESSMENT CRITERIA

L	EARNING OUTCOMES	ASSESSMENT CRITERIA
1.	Identify the	Follow different age criteria and maintain behavior chart of different
	organizational	age people.
	hierarchy of Geriatric (Old Age) care, select	Recognize and report different mental and physical health issues of
	and perform the duties	male after 50 years. Recognize and report different mental and physical health issues of
	and responsibilities	female after 50 years.
	following safety	Identify and observe services require for aged people.
	precaution.	Identify duties and responsibilities of Geriatric (Old Age) care service
	(NOS: HSS/N6008)	personnel.
		Follow the organizational hierarchy of Geriatric (Old Age) department
		of different countries.
2.	Develop	Practice on vocabulary to be used in profession life.
	communication skill for	Identifying different situation and applying correct methodology for
	maintenance of office	same (case studies to be given with questionnaire).
	correspondence.	Solve problem for part of speech, tenses and other grammar part.
		Conduct group discussion for vocabulary building and phonetics.
		Demonstrate elementary letter writing and filing procedure.
	(NOS: HSS/N6008)	Demonstrate different type of communication for Geriatric (Old Age)
		care homes and other working area.
		Practice for letter writing Formal and informal.
		Conduct written communication.
		Maintaining medical history and timing for medicine.
		Demonstrate study of medicine dose and record maintains.
2	Dovolon computor skill	Domonstrate different component of computer system
3.	Develop computer skill for maintain the data	Demonstrate different component of computer system.
	and office	Display and give knowledge about different output and input devices.
	correspondence.	Demonstrate different operating system and their limitation. Demonstrate different video outputs.
	(NOS: HSS/N6006)	Practice and demonstration of MS Word. Typing, editing, tabulation,
	(1403. 1133/140000)	insertion of pictures, videos, formatting etc.
		Practice and demonstration of MS EXCEL. Typing calculation,
		formatting, separating data, graph etc.
		Practice and demonstration of MS Power point. Typing, making
		presentation, inserting different graph, picture, video etc. Their
		applications will be assessed during execution of assessable outcome.
		Demonstrate concept of LAN, WAN etc.
		Demonstrate use internet for mail, voice mail etc.
		Demonstrate procedure to inbox, outbox, viewing, sending and

		and the second of the
		saving email etc.
		Demonstrate maintains of different mail in folders to make search
		easy. Keep different priority to mail
<u></u>	Identify different	Demonstrate difference in physical and mental health.
٦.	physical and mental	Practice and give easy and initial remedies for common health issues
	health related issues	like cold, cough, fever, pain etc.
	for Geriatric (Old Age)	Demonstrate specific physical health issues like astama, knee pain,
	persons and comply	back pain, bed sore, piles etc.
	the methods for	Demonstrate exercise for physical health related issues.
	solutions.	Demonstrate condition of different mental health issues of aged
		person.
		Practices to be followed for memory loss, insomia, depression etc.
	(NOS: HSS/N6006)	Demonstration of yogic exercise for mental health.
	, ,	Demonstrate walking aids.
		Demonstrated how to support person with walking issues
		Demonstrate how to feed person with paralysis
		Practice for how to deal with bed ridden person
		Demonstrate different types of chair and bed adjustments for Geriatric (Old Age) person.
		Geriatric (Old Age) person.
5.	Comply preservation of	Identity different technique for preservation of food.
٥.	food and dietary	Identify common preservative for food. Effect of preservative on
	requirement.	food. Quantity of preservative to be added.
		Demonstration of principal and technique for refrigeration.
(NC)S: HSS/N6006)	Identify different dietary requirement of Geriatric (Old Age) people.
, -		Prepare dietary chart for different requirement such as Blood
		pressure, diabetics, digestive disorder etc.
		pressure, diabeties, digestive disorder etc.
6.	Attain knowledge of	Identify different health issues and related hygienic issues.
	health and hygiene.	Group work for motivation for hygiene and exercising.
	70 -	Demonstrate and write importance of exercise, sleep, rest and good
	(NOS: HSS/N6006)	growing.
	(,	Discuss importance of sunlight, fresh air and water.
		Demonstrate and discuss personal hygiene (skin care, hair, teeth,
		hands and feet).
		Discuss and identify bed sore, patches in skin, dryness in skin etc.
7.	Attain required	To understand importance of family, visitors and community for
	knowledge of	Geriatric (Old Age) people.
	sociology, physiology	To demonstrate group formation and behavioural change due to it.
	and anatomy for	Understand and practice for Blood pressure, pulses and oxygen.
	Geriatric (Old Age)	Discuss does and don'ts for common diseases like fever cold cough,
	care.	walking problem etc.
	- · · · · · · · · · · · · · · · · · · ·	Maining Problem etc.

		11. 1 . 11	
		Understand bone structure and its function.	
(NOS-LICC (NCOOC)		Videos – animation of physiological regulations of various systems.	
(NO	S: HSS/N6006)	Know different organs and its function.	
		Identify common symptom for dis functioning of organs.	
8.	Develop hands on skill	Discuss and understand hygienic aspect of kitchen.	
	for kitchen hygiene and	To practice storage of uncooked food and cooked food.	
	housekeeping	To understand storage of fresh food such as green vegetable and	
	maintenance.	fruits.	
		Study of food habit of different regions.	
	(NOS: HSS/N9401)	Preparing dietary chart for different age people.	
		Preparing dietary chart for diabetic, blood pressure, week digestion person etc	
		Preparing dietary chart as per requirement of Geriatric (Old Age)	
		person like high protein, high fiber high sugar etc.	
		Demonstration of housekeeping: bed making, ironing, storing,	
		cleaning etc.	
9.	Apply practices for	To study effect of physical problem like locomotion, paralysis	
	problem related	fracture, bed sore etc.	
	physical effect like	To practice for locomotion and walking issues for Geriatric (Old Age	
Locomotion, Paralysis, fracture, bed sores etc. Psychological effect like		persons.	
		To practice methods to deal with paralysis person.	
		To practice for different fracture and bed sore.	
	memory loss, exit	To study effect of psychological effect like memory loss, exit	
tendency, depression,		tendency, depression, aggression suicidal tendency etc.	
	aggression, suicidal	To practice method to deal with memory loss.	
	tendency etc.	To practice method to deal with exit tendency and depression.	
(NC		To practice method to deal with bed ridden person.	
HS:	S/N6008, HSS/N6010)	To practice method to deal with mentally disturb person.	
		I	
10.	Identify, select and	To recognize health issues for male.	
	resolve the issue	To recognize health issues for female.	
	related to human	To study remedies and difficulties for Male: Prostate, Kidney stone,	
	health as per gender.	gland infection etc.	
	(NOS: HSS/N6006)	To study remedies and difficulties for Female: urinary tract Infection,	
		fungal infection etc.	
		To apply natural treatment for above problem area.	
		To understand climatic change and health.	
		Utilization of different food for climatic change.	
		Demonstration of personal care and hygiene.	
		Understand and apply Light exercise as per climate.	

11. Perform different types	To study and visit different hospitals for health care. Understand	
of drills to deal	audio and video production by recordings.	
emergencies and	To understand different emergency situation like heart attack,	
execute fire and	paralysis attack, high fever, asthmatic attack etc.	
natural hazards.	Drill on different type of fire and natural Hazards	
(NOS: HSS/N9402)	Demonstration and instruction by Fire department of fire Brigade.	
	, , ,	
12. Organize and assist	To understand importance of listening talking laughing etc.	
psychological	To organize laughing session, clapping session and singing session.	
counselling and	Understanding importance of all above session.	
organize social events.	To practice yoga for aged person.	
	Group discussion for different activities for entertainment	
(NOS: HSS/N6006)	To organize one show for Geriatric (Old Age) person at nearby	
	Geriatric (Old Age) home.	
13. Assist for nursing care	To practice comfort for Geriatric (Old Age) person for pain and	
of Geriatric (Old Age)	anxiety.	
person and develop the	To practice first aid required for day to day life and critical situation	
skill for entertainment	like falling down, fever, vomiting etc.	
for Geriatric (Old Age)	To practice nursing aids for different situation like paralysis, stroke,	
person.	heart attack etc.	
(NOS: HSS/N6008)	To understand type of entertainment, require for different situation.	
	To arrange group entertainment for Geriatric (Old Age) person.	
14. Practice Biomedical	Demonstrate different treatment option for Bio Medical Waste	
waste management	Demonstrate different treatment methods for Bio Medical Waste	
and disposal	Exhibit process of accumulation, storage and disposal of Bio Medical	
(NOS: HSS/N9622)	waste	

SYLLABUS FOR GERIATRIC (OLD AGE) CARE TRADE			
Duration	Reference Learning Outcome	Professional Skills (Trade Practical) With Indicative Hours	Professional Knowledge (Trade Theory)
Professional Skill 20 Hrs; Professional Knowledge 06 Hrs	Identify the organizational hierarchy of Geriatric (Old Age) care, select and perform the duties and responsibilities following safety precaution. 		c. Shredding	2. Need for safety treatment
		d. Disposal option	and disposal of BMW -
		•	a. Identifying the risk of
			Bio-medical waste. (10
			hrs)

SYLLABUS FOR CORE SKILLS

1. Employability Skills (Common for all CTS trades) (120 Hrs.)

Learning outcomes, assessment criteria, syllabus and Tool List of Core Skills subjects which is common for a group of trades, provided separately in www.bharatskills.gov.in/ dgt.gov.in

List of Tools & Equipment

GERIATRIC (OLD AGE) CARE (for batch of 24 Candidates)

S No.	Name of the Tools and Equipment	Specification	Quantity
1.	Single Bed		2 Nos.
2.	Rack, Almirah		2 Nos.
3.	Small Table		2 Nos.
4.	Hanger		7 Nos.
5.	Bedroom		1 No.
6.	Diner/lunch room		1 No. each
7.	Common room	Common for all trainees	2 Nos.
8.	Physiotherapy, Yoga area		1 No.
9.	Vacuum cleaner		1 No.
10.	Public telephone		1 No.
11.	Magazines, Books		1 each
12.	Grab handle, call bell, wheel chair		1 each
13.	First aid Box		2 Nos.
14.	Almirah with (8) self		2 Nos.
15.	Stretcher		1 No.
16.	Sphygmomanometer		1 No.
17.	Thermometer		1 No.
18.	Stethoscope		1 No.
19.	Glucometer (Automatic)		1 No.
20.	Waste container	10 litres	03 nos.
21.	Autoclave		02 nos.
22.	Computer system	CPU: 32/64 Bit i3/i5/i7 or latest processor, Speed: 3 GHz or Higher. RAM:-4 GB DDR-III or Higher, Wi-Fi Enabled. Network Card: Integrated Gigabit Ethernet, with USB Mouse, USB Keyboard and Monitor (Min. 17 Inch.) Licensed Operating System and Antivirus compatible with trade related software.	1 No.

NOTE:

1. Internet facility is desired to be provided in the class room.
