Guru Gobind Singh Indraprastha University

“A State University Established by the Govt. of NCT of Delhi”
Accredited as NAAC A++ Grade

Welcome to the Guru Gobind Singh Indraprastha University!

It is a matter of great honour and pride for me to be part of GGSIP University at the time of its 25th year, the Silver Jubilee Year. The University has added another feather in its cap in its Silver Jubilee Year, having been accredited with the highest **A++ Grade** (valid for a period of 7 years from 14-02-2023) by NAAC. The University is also one of the top public Universities in New Delhi that finds a place in the QS World University Rankings 2024.

From a humble beginning of conducting just 20 programmes in 1998, the University now runs 166 programmes. It has 18 Schools of Studies & 3 Centres of Excellence. In addition, it is the only State Affiliating University having 115 Institutions affiliated with it, where approximately 90000 students are enrolled.

Since its inception, the University has been delivering quality education. Great emphasis is laid on a holistic, relevant and a professional approach to education which is in tandem with the industry requirements. Partnership with Industries ensures a professional hands-on approach paving access to training and employability.

The University has adopted and aligned itself with the New Education Policy 2020 through multi-entry, multi-exit, choice-based credit system; inter-disciplinary courses, blended with outcome-based education.

Several new programmes have been introduced that cater to emerging domains of knowledge along with traditional programmes and courses. In addition, specialized courses have also been integrated into the new academic curricula both at the UG and PG levels. Innumerable workshops with experts enhance learning and broaden the students' horizons.

The University encourages creativity, innovation and entrepreneurship among students and faculty. A University Centre for Incubation-Cum-Technology Commercialization (UCITC) is functioning with assistance from the Government to develop sufficient capacity to build spinoff entrepreneurship ventures by students on their own. A special purpose vehicle called “Indraprastha Incubation and Innovation Foundation” is also functioning to promote innovation and entrepreneurship and nurture students while enabling incubation of start-ups by them.

The University has signed 92+ MOUs with various industries and institutions both in India and abroad, including 20 MOUs for faculty and student exchange at international levels. The University has also made significant research contributions at both national and international levels, through quality research.

The new green campus in East Delhi, equipped with modern infrastructure is now functional and we are proud to have established The Schools of Automation and Robotics as well as The School of Innovation and Design there with more than 2500 Students.

Several other infrastructural expansions are underway. The state-of-the-art auditorium in the Dwarka campus is an architectural delight giving our students a state-of-the-art space to display their various talents. Work on the phase-II of Dwarka Campus, to expand capacity to accommodate more students is on the anvil. A new campus in about 22 acres at Narela is being planned for the coming times.

The University provides equitable access to quality education to the students from weaker sections of society and for this purpose, substantial financial assistance is granted every year through scholarships.

The University encourages students to participate in sports, NCC, NSS, and other cultural and extra-curricular activities. The Annual Sports day and the Annual Cultural festivals see enthusiastic participation from across the University and affiliated colleges.

I am very proud of the achievements of our students and faculty. The University has produced numerous scholars excelling in different fields. The young and dynamic faculty are trained to remain relevant and abreast of the state-of-the-art teaching techniques.

The University has been recipient of many awards and accolades. It has been ranked among the top 75 universities by the National Institute Ranking Framework (NIRF). It is a matter of great satisfaction to all of us that in a short span of 25 years, the University has been able to earn the best of national accreditations, educational recognitions and acquire stringent certifications.

As we embark on this new academic year, the University is committed to continue to provide a nurturing and inclusive environment that supports the needs and aspirations of our students.

Come, be part of this University. Arm yourselves with relevant knowledge and degrees to enter the real world. I am sure a great future awaits you. Here along with academics and career building skills, camaraderie and everlasting bonds, you will learn life skills that will take you far in the journey of life.

Come join us in making this University a coveted seat of learning!

Our community of faculty, staff and students look forward to welcoming you onboard at the Guru Gobind Singh University, New Delhi.

CHAPTER 1: List of Programmes offered in GGSIP University

The admissions to the programmes of studies in the Guru Gobind Singh Indraprastha University (GGSIP University) are either through National Level Test conducted by various authorities or through Common Entrance Tests (CET) conducted by the University/ CUET or designated agencies accepted by the University or on merit of the qualifying degrees in respective programmes. The programmes of studies are grouped together, on the basis of common syllabi (for CET), for the purpose of conduction of CET. The programme(s) groups, wherever a CET is to be conducted, are assigned a unique CET code. If a programme or programme group is such that the admissions for them is not on the basis of a CET conducted by the University, then the CET code for that programme or programme group is treated as the Programme Code. The CET Code indicates specified programme/group of programmes for which specific eligibility conditions have been laid down for Admissions.

The programmes shown in this Admission Brochure are mostly on the basis of programmes whose admission was done through the concerned CET/National Level Test/Qualifying Examination in the Academic Session 2023-24. The list of all such programmes is given below. The University reserves the rights to add or remove any such programme from the list of programmes grouped together for the purpose of admissions in the Academic Session 2024-25.

The University reserves the right to cancel any CET.

Only Indian/ Overseas Citizens of India / Nepal Citizens candidates are eligible for admission through this admission brochure subject to fulfillment of eligibility and admission criterion(s). For admission of students who are not citizens of India, the Office of International Affairs, of the University, shall issue a separate Admission Brochure.

For programmes of studies and /or CETs not specified in this brochure, the University may issue separate notifications or brochures.

Terms and conditions notified in this brochure, and notified time to time on the University website <http://www.ipu.ac.in> , shall be binding on all applicants. In case of any dispute, the decision of the Vice-Chancellor, Guru Gobind Singh Indraprastha University, Delhi shall be final.

ATAL INCUBATION CENTRE - GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY AIC-GGSIPU

The Guru Gobind Singh Indraprastha University (GGSIPU) has set up Atal Incubation Centre (AIC) which is aimed to be a world class facility for innovation and incubation in National Capital Region (NCR). The Atal Incubation Centre (AIC) is supported by the NITI Aayog under the Atal Innovation Mission (AIM).

The AIC is incubating and supporting Start-ups and Spin-offs in the domains of Biotechnology, Health & Pharmaceuticals, Environment and Manufacturing & Engineering (including AI). The Centre is well planned, having an incubation space of 10,000 Sq. ft. to begin with. It is located at the University campus and has synergistic networking with the industry, national laboratories, IITs, academic institutions and other organizations which are focused at technological innovation & incubation and are assisting the startups.

The startups joining the center are provided with the desired laboratory space. Also, as per the standard practice they are provided with the facilities such as R&D equipment, office equipment, common support facilities. The R&D Knowledgebase and associated system of the University will support the startups in an end to end manner. The R&D facilities and services of the University partnered institutions will also be available to leverage the activities of the startups.

FOR CUET# The Candidates may visit the concerned official website for registration for CUET# 2024. Also see Section 1.3 for CUET Codes.

NOTE:

1. For the purpose of percentage calculation in the qualifying degree, for the candidates who have completed their qualifying degree from GGSIPU, if the candidate has been awarded the final consolidated Cumulative Performance Index (CPI), then the Cumulative Performance Index (CPI) shall be taken as the percentage of marks while if the candidate has been awarded the final consolidated Cumulative Grade Point Average (CGPA), then the CGPA x 10 shall be taken as the percentage of marks.
2. The admission methodology (for programmes in regular mode) shall be:
 - i. For regular mode programmes admissions would be first given to candidates / applicants who are GATE qualified (as per eligibility and admission conditions specified for the CET Code) and possess a valid and qualified GATE score card, on the basis of the merit based on GATE score. If in case of tie in score, the candidate older in age will be given priority. The merit list may change subject to verification of GATE Score Card and other information from the original documents/mark sheets at the time of Counselling. The merit list for GATE qualified candidates shall begin from 1 while the merit list for CET qualified candidates shall begin from 10001.
 - ii. For regular mode programmes, if seats remain vacant after the admissions of the GATE candidates, the seat would be offered to CET qualified candidates based on merit / rank of CET.
 - iii. GATE scholarships shall be available only after the AICTE approval for the relevant branch / programme for the admission year.
 - iv. Candidates desirous of seeking admission on the basis of GATE Score must appear for document verification as per schedule notified by the University. Authorized representative (with the permission of the Incharge, Admissions, Guru Gobind Singh Indraprastha University) may appear for verification. In case, a candidate / representative does not appear for document verification, the candidates shall not be considered for admission on the basis of GATE Score.
 - v. For admissions in the Weekend mode programmes and against sponsored seats in the regular mode programmes, no GATE scholarship shall be available.
3. The admission methodology (for programmes in Weekend mode) shall be:
 - i. Applicants should retain a printout of the CET application form as proof of identity of the candidate at the time of counselling for admission.
 - ii. Merit list shall be prepared on the basis of the last qualifying examination only. No CET shall be conducted for admission in M.Tech. (CSE/ECE)-Weekend programme.
 - iii. In case any Board / University awards grades instead of marks, the calculation of equivalent marks would be based on the procedure prescribed by the Board /University awarding the qualifying degree. Document regarding the conversion must be provided by the candidate itself. In case a University does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing obtained CGPA with the maximum possible CGPA and multiplying the resultant with 100.
4. CET admit card (for regular mode programmes of study / CET) will be issued by the University to be used as proof of application for the candidature of the candidates at the time of counselling for admission.
5. Admission of the students passing out of GGSIPU: CPI awarded by University shall be treated as equivalent to percentage.
6. Admission of the students passing out of GGSIPU: CGPA x 10 awarded by University shall be treated as equivalent to percentage.
7. Blind (including colour blind), deaf and/or dumb candidates shall not be eligible for admission.

2.8 General Instructions

1. All admissions in the University shall be provisional till regularized by the University.
2. Result Awaited candidates may please see the provisions contained in the clause 3.5 of Part A.
3. **Physical Fitness:** The applicant must be in good mental and physical health and should be free from any physical / mental defect which is likely to interfere with his/her studies including active outdoor duties required of a professional. Accordingly, all the students shall be required to submit a Medical Certificate indicating fitness from a Doctor with valid registration under the Medical Council of India act, at the time of admissions / counselling.

CHAPTER - 3: Details pertaining to GGSIPU CET (Common Entrance Tests)

3.1 Master of Technology (M.Tech.) Common Entrance Test

S. No.	Name of Programme	CET Code	Subjects of Entrance Test*
1.	MTECH (CSE)	139	As per the Syllabus of GATE -Computer Science & Information Technology
2.	MTECH (ECE)	140	As per the Syllabus of GATE -Electronics & Communication Engineering
3.	MTECH (FPT)	147	See Section 3.2
4.	MTECH (BT)	148	See Section 3.2
5.	MTECH (CE)	152	As per Syllabus of GATE of Chemical Engineering
6.	MTECH (RA)	156	See Section 3.2.1

3.2 Syllabus for CET for M.Tech. (Biotechnology) CET Code-148 & M.Tech (FPT)

Biochemistry and Enzymology: Organization of life; Importance of water; Structure and function of biomolecules: Amino acids, Carbohydrates, Lipids, Proteins and Nucleic acids; Protein structure, folding and function, Metabolic pathways and their regulation: glycolysis, TCA cycle (Krebs' cycle), glycolysis, electron transport chain; gluconeogenesis, glycogen and fatty acid metabolism, Enzyme classification, kinetics including its regulation and inhibition, active sites, Factors influencing enzyme activity, Enzyme assays, cofactors and coenzymes, immobilization of enzymes, enzyme engineering.

Microbiology: Size, shape and arrangement of bacterial cells, Structure of the cell and cell wall Nutritional requirements for growth, nutrients uptake by microbial cells, Culture media, Isolation of pure cultures, cultivation and preservation of cultures, Microbial growth Kinetics, Physical and chemical methods of microbial control, Action of microbial control agents and evaluation of effectiveness of antimicrobial agents, Metabolic diversity and pathways of energy use, unique pathways of microbial fermentation and photosynthesis, Microbial diseases and their control, Mechanism of microbial pathogenicity, action of antibiotics and other antimicrobial drugs, Superbugs and opportunistic infections, Biosecurity, Microbiome.

Cell Biology: Cell structure and organelles; Biological membranes; Transport across membranes; Signal transduction; Hormones and neurotransmitters. Prokaryotic and eukaryotic cell structure; Cell cycle, cell division and cell growth control; Cell-Cell communication, Cell signaling and signal transduction.

Molecular Biology and Genetics: Molecular structure of genes and chromosomes; Mutations and mutagenesis; Eukaryotic genome organization and Complexity; Nucleic acid replication, transcription, translation in prokaryotes and eukaryotes; RNA processing, regulation of gene expression, Mendelian inheritance; organization of genome, sex determination and sex-linked characteristics, cytoplasmic inheritance, linkage, recombination and mapping of genes in eukaryotes, population genetics. Gene interaction; Complementation; Linkage, recombination and chromosome mapping; Extra chromosomal inheritance; Microbial genetics (plasmids, transformation, transduction, conjugation); Epigenetics.

Immunology: Active and passive immunity; Innate, humoral and cell mediated immunity; Antigen; Antibody structure and function; Molecular basis of antibody diversity; Synthesis of antibody and secretion; Antigen-antibody reaction; Complement; Primary and secondary lymphoid organ; B and T cells and macrophages; Major histocompatibility complex (MHC); T cell receptor; Antigen processing and presentation; Polyclonal and monoclonal antibody; Regulation of immune response; Immune tolerance; Hypersensitivity; Autoimmunity; Graft versus host reaction. Immunological techniques: Immunodiffusion, immunoelectrophoresis, RIA and ELISA, Flow cytometry.

Bioinformatics: Major bioinformatic resources and search tools; Sequence and structure databases; Sequence analysis (biomolecular sequence file formats, scoring matrices, sequence alignment, phylogeny).

Recombinant DNA Technology: Restriction and modification enzymes; Vectors-plasmid, bacteriophage and other viral vectors, cosmids, Ti plasmid, yeast artificial chromosome; mammalian and plant expression vectors; cDNA and genomic DNA library; Gene isolation, cloning and expression; Transposons and gene targeting; DNA labeling; DNA fingerprinting; Southern and northern blotting; In-situ hybridization; RAPD, RFLP, AFLP, SSRs, SNPs; Gene transfer techniques; Microarray, PCR, site directed mutagenesis, DNA sequencing; molecular probes, Gene therapy.

Plant and Animal Biotechnology: Totipotency; Regeneration of plants; Tissue culture and Cell suspension culture system; Production of secondary metabolites by plant suspension cultures; transgenic plants; Plant products of industrial importance; Animal cell culture, media composition and growth conditions; Animal cell and tissue preservation; Anchorage and non-anchorage dependent cell culture; Hybridoma technology; Stem cell technology; Animal cloning; Transgenic plants and animals.

Bioprocess Engineering and Process Biotechnology: Upstream production and downstream; Bioprocess design and development from lab to industrial scale; Microbial, animal and plant cell culture platforms, Chemical engineering principles applied to biological system, Principle of reactor design, mass and heat transfer; Media formulation and optimization; Kinetics of microbial growth, substrate utilization and product formation; Sterilization of air and media; Batch, fed-batch and continuous processes; Various types of microbial and enzyme reactors.

Biosafety, Bioethical and Intellectual Property Right Issues in Biotechnology: Biosafety- Concept, Concerns and Regulations; Safety considerations in Laboratories; Ethical issues and conflicts in biotechnology; Kinds of IPR; Protection of traditional knowledge and Genetic Resources; Patents in Biotechnology.

Techniques in Biotechnology: Colorimetry and Spectroscopy, Flow cytometry, Microscopy, Centrifugation, Chromatography, Electrophoresis, X-ray crystallography, Nuclear Magnetic Resonance (NMR) spectra, Magnetic Resonance Imaging (MRI), lasers in biology and medicine, Mass spectrometry.

Environmental Biotechnology: Sewage and waste water treatment, Solid waste management, Biodegradation of xenobiotic compounds, Bioremediation and bioremediation, Natural resource recovery, Environmental biotechnology in agriculture, Biofuel, Environmental genetics.

Biostatistic: Measures of central tendency and dispersal; probability distributions (Binomial, Poisson and normal); Sampling distribution; Difference between parametric and non-parametric statistics; Confidence Interval; Errors; Levels of significance; Regression and Correlation; t-test; Analysis of variance; Chi squared test; Basic introduction to multivariate statistics, etc.

3.2.1 Syllabus for CET for M.Tech. (Robotics & Automation) CET Code-156

ENGINEERING MATHEMATICS

Mathematical Logic: Propositional Logic, First Order Logic.

Complex Variables: Analytic functions, Cauchy's integral theorem and integral formula, Taylor's and Laurent's series. Residue theorem, solution integrals.

Differential equations: First order equation (linear and non-linear), Higher order linear differential equations with constant coefficients, Methods of variation of parameters, Cauchy's and Euler's equations. Initial and boundary value problems, Partial Differential Equations and variable separable method.

Guru Gobind Singh Indraprastha University

“A State University Established by the Govt. of NCT of Delhi”

Accredited as NAAC A++ Grade

Probability and Statistics:-Sampling theorems, Conditional probability, Mean, Median, mode and standard deviation, Random variables, Discrete and continuous distributions, Poisson, Normal and Binomial distribution, Correlation and regression analysis.

Set Theory & Algebra:- Sets: Relations; Functions; Groups; Partial Orders; Lattice; Boolean Algebra.

Combinatorics: Permutations; Combinations; Counting; Summation; generating functions; recurrence relations, asymptotics.

Graph Theory: Connectivity: spanning trees; Cut vertices & edges; covering; matching; independent sets; Colouring; Planarity; Isomorphism.

Linear Algebra:- Algebra of matrices, determinants, systems of linear equations, Eigen values and Eigen vectors.

Numerical Methods:- LU decomposition for systems of linear equations; numerical solutions of non-linear algebraic equations by Secant, Bisection and Newton- Raphson Methods; Numerical integration by trapezoidal and Simpson's rules.

Calculus:- Limit, Continuity & differentiability, Mean value Theorems, Theorems of Integral calculus, evaluation of definite & improper integrals, Partial derivatives, Total derivatives, maxima & minima,

Multiple integrals, Fourier series. Vector identities, Directional derivatives, Line, Surface and Volume integrals, Stokes, Gauss and Green's theorems.

ENGINEERING SUBJECTS

Network theorems: Superposition, Thevenin and Norton's maximum power transfer.

Electric Circuits and Fields: Network graph, KCL, KVL, node and mesh analysis, transient response of dc and ac networks.

Programming in C, Functions.

Electrical Machines: Single phase transformer- equivalent circuit, phasor diagram, tests, regulations and efficiency, DC machines- types, windings, generator characteristics, armature reaction and commutation, starting and speed control of motors; three phase induction motors- principles, types, performances characteristics, starting and speed control; single phase induction motors; synchronous machines- performances, regulation and parallel operation of generators, motor starting, characteristics and application; servo and stepper motors.

Electronic Devices: Generation and recombination of carriers. P-n junction diode, Zener diode, BJT, JFET, MOS capacitor, MOSFET, LED, p-i-n and available photo diode, Basics of LASERS. Device technology.

Basics of Measurement Systems:- Static and dynamic characteristics of Measurement Systems. Error and uncertainty, analysis, statistical analysis of data and curve fitting.

Transducers, Mechanical Measurement and Industrial Instrumentation: Resistive, Capacitive, Inductive and piezoelectric transducers and their signal conditioning. Measurement of displacement, velocity and acceleration (translational and rotational), force, torque, vibration and shock. Measurement of pressure, flow, temperature and liquid level. Measurement of pH, conductivity, viscosity and humidity.

Control System:- Principles of feedback, transfer function; block diagrams; steady- state errors, Basic control system components; block diagrammatic description, reduction of block diagrams. Open loop and closed loop (feedback) systems and stability analysis of these systems.

Applied Mechanics:- Free body diagrams and equilibrium, trusses and frames; virtual work; kinematics and dynamics of particles and of rigid bodies in plane motion, including impulse and momentum (linear and angular) and energy formulations, impact, strength of materials- stress, strain and their relationship, Mohr's circle, deflection of beams, bending and shear stress, Euler's theory of columns.

Theory of Machines: Acceleration of a point on a link, Acceleration diagram, Coriolis component of acceleration, Crank and slotted lever mechanism, Klien's construction for Slider Crank mechanism and Four Bar mechanism, Analytical method for slider crank mechanism, Mechanisms with Lower Pairs Pantograph, Exact straight line motion mechanisms- Peaucellier's Hart and Scott Russell mechanism, Approximate straight line motion mechanisms- Peaucellier's, Hart and Scott Rusell mechanism. Approximate straight line motion mechanism- Grass-Hopper, Watt and Tchebicheff mechanism, Analysis of Hooke's joint, Davis and Ackermann steering gear mechanisms

			iii. General Awareness – 20 questions iv. General Science – 30 questions
11.	M.Sc. Medicinal Chemistry & Drug Design	405	1. General Sciences (Graduation Level (40%)) 2. Chemistry (Graduation Level (60%))
12.	MS (Packaging Technology)	604	The syllabus for the written test is at the graduate level and the subjects include Physics, Chemistry, Mathematics and Engineering. Please refer to para 3.3.2 for more details.
13.	Master of Design [with specialisation in (Industrial Design) (Interior Design) (Interaction Design) depending on choice of subjects in second year	611	Please refer to para 3.3.4 for more details.
14.	M.ED (Special Education)	612	i. Special Education – 40% ii. Teaching Aptitude - 20% iii. Language Proficiency– 20% iv. General Awareness – 20%

* The division of the number of questions in subparts of the syllabus is indicative.

NOTE:

1. Level of questions asked shall be as per the level of qualifying examinations for entry to the programme(s) of studies.

3.3.2 CET Syllabus for MS (Packaging Technology)

CHEMISTRY

Basic concept of the chemistry; atomic structure-quantum principles, thermodynamics; Stereochemistry; Surface chemistry; Coordination compounds-complex compounds; Chemical equilibrium; Colligative properties; periodic table; chemical kinetics; industrial chemistry; solutions; molecular structure; chemical bonds; state of matters;

Atomic Structure and Chemical Bonds: Electronic configuration of atoms, characteristics of the chemical bonds, conjugated bonds, shapes of the molecules, conformation and stereo chemistry, physical properties and molecular structures, chemical reactivity and molecular structures.

Periodic properties: trends in size, electronic affinity, ionization potential and electronegativity; Use of Ellingham diagram and thermodynamics in the extraction of elements; VSEPR theory, structure of boranes, electron counting.

Organometallic Chemistry: metal carbonyls and sandwich complexes – bonding aspects, Catalysis: Hydrogenation, hydroformylation, and olefin metathesis; Huckel treatment of ethylene, butadiene and benzenes; Concept of aromaticity; Conformation of alkanes and cycloalkanes; Reactivity of carbonyl group; Functional group interconversions; Reaction types (nucleophilic, electrophilic, free radical reactions); Molecular rearrangements; Synthetic polymers and proteins; Metal organic frameworks.

Thermodynamic: First and second law of thermodynamics, statistical treatment, free energy. The equilibrium constant and free energy changes in chemical system.

Electrochemistry: Definitions. Electrolytes, Electrodes, Anodes, Cathode, Ions, Strong and weak Electrolytes, Electroplating, Faraday's Law, Laws of Chemical Combination.

Kinetic theory of gases, Boyle's law, Charle's law, Avogadre's hypothesis, Graham's law of Diffusion, molecular velocity, gas constant deviations.

Vapour pressure, surface tension - definition, determination of surface tension, effect of temperature.

Viscosity : Definition, determination of viscosity, various viscometers, viscosity and constituents. effect of temperature.

PHYSICS:

Optics: Introduction, Interference, Diffraction – basic concepts, diffraction at a straight edge, diffraction at single and multiple slits, Resolving power – Rayleigh’s criterion, resolving power of various optical components.

Introduction to Quantum Mechanics: Introduction to quantum physics, blackbody radiation, explanation using the photon concept, photoelectric effect, Compton effect, de Broglie hypothesis, wave-particle duality, verification of matter waves, uncertainty principle.

Lasers and Applications: Introduction to interaction of radiation with matter, principles and working of a Laser – population inversion, pumping, various modes, threshold population inversion, types of Lasers – solid state, semiconductor, gas, applications of Lasers.

Ultrasonics: Generation of ultrasound – mechanical, electromechanical transducers, propagation of ultrasound, attenuation, velocity of ultrasound and parameters affecting it, measurement of velocity, applications of ultrasound.

Crystal Structure: Crystal structure of solids, unit cell, space lattices and Bravais lattices, Miller indices, directions and crystallographic planes. Cubic crystals – SCC, BCC, FCC, Hexagonal crystals – HCP, atomic radius, packing fraction, Bragg’s law, determination of crystal structure using Bragg spectrometer.

Semiconductors: Formation of energy bands in solids, classification of solids – conductor, semiconductor and insulator. Intrinsic semiconductor, Effect of doping – extrinsic semiconductors.

Motion, velocity and acceleration_: Meaning of velocity, meaning of acceleration, graphical representation, uniform accelerated motion, motion of free falling body.

Force and laws of motion : Causes and result of force, Newton’s law of motion, definition of units, force and acceleration, load factor of G’ load kinetic and potential energy. Force – deformation curve.

Optics: Introduction, Interference, Diffraction – basic concepts, diffraction at a straight edge, diffraction at single and multiple slits, Resolving power – Rayleigh’s criterion, resolving power of various optical components.

Introduction to Quantum Mechanics: Introduction to quantum physics, blackbody radiation, explanation using the photon concept, photoelectric effect, Compton effect, de Broglie hypothesis, wave-particle duality, verification of matter waves, uncertainty principle.

Lasers and Applications: Introduction to interaction of radiation with matter, principles and working of a Laser – population inversion, pumping, various modes, threshold population inversion, types of Lasers – solid state, semiconductor, gas, applications of Laser.

ENGINEERING

Basic concepts, Circuit law, AC Fundamentals, Magnetic Circuit, Electrical Machines, Measurement and Measuring instruments, Synchronous Machines, Fractional Kilowatt Motors and single phase induction Motors, Generation, Basic Electronics, Estimation and Costing, Transmission and Distribution, Utilization and Electrical Energy.

1.	175	Advance Diploma in Child Guidance and Counselling	General awareness, Social Awareness and General English including Linguistic Expression

3.3.4 CET Code 611 Syllabus for MASTER OF DESIGN (M.DES.)

Master of Design (M.DES.)

CET 2024 for USDI, GGSIPU aims to adjudge students for their Aptitude to peruse Design as their profession.

The syllabus for the CET-2023 broadly covers topics to test the aptitude and sensitivity towards Design through a set of questions from varied subjects like understanding of.

- **Analytical and logical reasoning ability-** This section looks into the knowledge of Series and Sequences of numbers, shapes, patterns, figures, and words; Identifying missing numbers, words, or figures; Blood relations; Direction and Distance; Alphabet test; Cause and effect; Clocks and Calendars; Coding and Decoding of Analogy Series; Matrix Completion; Incomplete Pattern; Spotting embedded figures; Classification Rules Detection; Identical figure groupings; Forming figures and analysis.
- **Visual aptitude-** This section would look into the knowledge of Presentation techniques; Diagrammatic Reasoning; Object and Image recognition; Venn figurative Verbal reasoning; Understanding of spatial correlation of 2D shapes and 3D objects; Cutting cubes and dice; Scale and perspective and vanishing point; Water and Mirror images. Projection of Solids, isometric drawing.
- **General awareness-** Design aspirants must have knowledge designed Arts, Artifact, Sculptures, and Literature. of social and cultural connection with the history of the design, environmentally sustainable design response, and socially responsible; implications on the design of products, images, environmental and infrastructure..

3.4 Information Regarding Result Awaited Cases for Engineering & Professional Programmes (Except for NEET based admissions)

Result Awaited / Compartment / Supplementary Cases for various Programmes:

- i. All such candidates who have appeared in the qualifying examination (irrespective of the outcome of their final result) will be eligible to appear in the CET 2024-25 and all such candidates will be provisionally admitted in the respective programmes;
- ii. **The candidate will have to submit the final result of qualifying degree proving his/her eligibility on or before 31st October, 2024 to their concerned Dean/Principal/Director of their respective School/College/Institute where the admission has been granted provisionally. The concerned Dean/Principal/Director must submit the details of these result provisionally admitted students within 7 days i.e. 7th November 2024 to Director Incharge (Admissions), GGSIPU, 16 C Dwarka, New Delhi 110078. In case the candidate fails to submit his/her final result of qualifying degree in the manner as prescribed above to prove his/her eligibility on or before 31st October 2024, whatsoever, the reason may be, his/her admission will be treated as null and void (cancelled) and the entire fee will be forfeited and under no any circumstances he/she will be allowed to appear in the End Term Exam. No extension beyond 31st October, 2024 shall be allowed by the University. The Dean/Director/Principal will be responsible to ensure that the eligibility of all students are checked by them to ensure correctness of admissions especially in case of provisional students. The provisional admission will automatically stand cancelled if the candidates fail to submit result in time i.e. 31st October, 2024.**

Note: Those candidates who are seeking provisional admission due to non-declaration of their final year/final semester (please see Appendix 4 of Part F) will however have to provide proof of having passed all papers in all the previous years/ semesters of qualifying degree examinations (whichever relevant). The candidate shall give documentary proof of having appeared in the last semester/year of qualifying examination at the time of Reporting in the allotted College.

The candidate shall undertake that he has appeared in the final semester/final year examination as on date of admission and result of which has not been declared and is expected to be declared latest by 31st October, 2024. He shall further declare that he has no compartment as on this date in his qualifying examination and he is seeking provisional admission only due to non declaration of result of final year/final semester of the qualifying examination by Board/University and not on account of compartment in current or previous years of qualifying degree examination as on date of admission.

1. There will be no rounding-off of the percentage of marks of qualifying examination while deciding the basic eligibility of any candidate for admission for e.g. if a candidate obtained 49.9% marks in his/her qualifying examination, then it will not be rounded-off to 50%. Therefore, the candidate is not eligible for that programme where the minimum requirement of marks is 50%. In case candidate for any reason fills the minimum% wrongly in Verification Form, he/she shall be solely responsible.

3.5 Age Limit for all programmes (Except PGMC/SSMC)

S.No.	Programme	As on 01.08.2024 candidate should not be beyond
1	For all Postgraduate Programmes where entry qualification is graduation	35 years

Important Note: Information regarding relaxation in Age Limit

1. Candidates desirous of applying for age relaxation as per norms above should apply in writing to **Director Incharge (Admissions), Guru Gobind Singh Indraprastha University, Sector 16C, Dwarka, N.Delhi 110078.**
2. **Age Relaxation:** The upper age limit may be relaxed upto a maximum of five years in exceptional cases by the Admission Officer (designated) of the concerned programme if he/she is satisfied with the merit of the case. Prospective applicants shall be given a period of at least eighteen days to apply for seats under the management quota, in the aforementioned manner.
- iii. While calculating the management seats, fraction less than 0.7 shall be ignored and above that converted into one full seat.
- iv. Based on the aggregate marks obtained by qualified applicants at the qualifying examination, the institution concerned shall prepare and display the rank ordered merit list of such applicants on the institution's website and notice board kept at a conspicuous place of the institution, within two days of the closing date for receipt of the management quota applications. The criteria for rank ordering of applications with a tie in the qualifying examination's aggregate marks shall be the same as those laid down in the admission brochure or as laid down by the designated authority.
- v. Based on the merit list so drawn up, the institutions concerned shall conduct admission counselling for allotment of branches/Programmes to qualified applicants within a period of three days of drawing up of the merit list of qualified management quota applicants. Such admission counselling will, however, be subject to the condition that there shall not be more than two rounds of counselling. The list of applicants who will be called for given round of admission counselling shall be displayed on the institution's website and notice board, kept in a conspicuous place.
- vi. Following the conduct of admission counselling, the list of applicants admitted to the management quota seats made on the basis of the merit list drawn up in the aforementioned manner and the balance of the management quota seats in each Programme shall be published at the end of each round of counselling on the website of the institution as well as that of the designated agency. A copy of such list shall be displayed on the notice board of the designated agency as well as that of the institution, kept at a conspicuous place for the information of the candidates and others. The list of the candidates being called for the first round of counselling shall be displayed in the aforementioned manner along with the merit list, indicating therein the date, time and place at

Guru Gobind Singh Indraprastha University
“A State University Established by the Govt. of NCT of Delhi”
Accredited as NAAC A++ Grade

which the counselling will be held. The date, time and place of the second round of counselling will be displayed along with the list of candidates admitted in the first round of counselling.

Provided that the second round of counselling shall commence only twelve hours after publications of the list of applicants admitted in the first round of counselling and the discipline/Programme-wise balance of seats.

- vii. The last date to fill up the management quota seats will be nine calendar days after the last date for regular admissions (**i.e. Reporting of Candidates in the last Counselling prior to SPOT Counselling**) in the University and the concerned Programme.
- viii. All admissions made to the management quota seats shall be provisional and will need ratification by the designated agency, which will convey its decision within a day of being informed by the institution of the list of successful candidates and the basis of their selection as per procedure mentioned herein before.
- ix. The affiliated institutions shall not be authorized to admit candidates against the management quota seats after the cut-off date fixed as mentioned in sub-clause (vii) above.
- x. If any dispute arises with regard to the admission under the management quota seat(s), the designated agency or the Government, as the case may be, shall have the overriding power to issue directions to the institution which shall be binding upon the institution concerned”.**

Thus, the affiliated institutions, those which are eligible for management quota seats and are desirous of filling the seats shall follow the following schedule for admissions in the management quota:

1. Advertisement by the institution for management quota seats as per conditions of time schedule as laid down in the Rules notified.
2. Display of notice for management quota admission on the Institution website and notice board (notice should include the disciplines, programmes of studies and the management quota seats available):
3. Submission of the copies of the newspaper advertisement and the website and notice board notices in this regard to the University admission branch:
4. Last date for inviting applications:
5. Display of the merit list made on the basis of the qualifying Examinations marks by the institution on the website and the Notice board of the institution of all the applicants. And, submission of the merit list of all applicants to the Admission branch of the University:
6. First Counselling for management Quota seats by institutions:
7. Display of vacancy by the institution for the second round Of management quota admission on the institution website and the institution notice board. And, the submission of the Such notice(s) to the Admission branch of the University:
8. Second counseling by the institutions for the management quota seats:
9. Submission of complete management quota seat admissions List and student files to the Admission Branch of the University by the institution together with all other documents required:

All (desirous candidates and concerned institutions affiliated to the University) are required to meticulously follow the prescribed procedure as notified as per the rules regarding filling of Management Quota and submit the list of the candidates admitted along with affidavit of the Chairman or Secretary of the highest Management body of the Institution to the designated agency, mentioning therein that they have followed the procedure laid down in the Act and these rules in a transparent manner and that they have done so without any prejudice or undue favour. Such an affidavit shall accompany the list of successful candidates under management quota, to be lodged with the University in the manner laid down in sub-clause (viii) and as procedure as laid down for Management Quota in the rules as per Notification dated 14.06.2007 as above as per section 8 (2) a (ii) to (x), immediately and as specified the last date to fill up the Management Quota seats will be within 9 calendar days after the last date for regular admissions in the University and concerned case, failing which no cognizance will be taken by the University, of

Guru Gobind Singh Indraprastha University

the candidate(s) admitted by you under the Management Quota. **All admissions made to the Management Quota seats by the Institutions shall be provisional till the University as designated agency ratifies the same.**

The results of any candidate desirous of seeking admissions to the self – financing institutions affiliated to the University must be declared before preparation of the Merit for Management Quota. These results should be such that the candidate is eligible for the award of the qualifying degree for admissions to the programme of study and satisfies all eligibility criteria specified in this admission brochure and has qualified the common entrance test (or the national level test deemed as CET) as prescribed for a specific CET code / programme of study.

Failure by any institution to follow the rules, procedures and schedule as prescribed shall lead to non-ratification of management quota admissions of an institution by the University.

Important Note: It is mandatory for all the candidates desirous of seeking admission through management quota to complete the process of Online Registration by paying the requisite Registration Fee as per the University procedure and it is also mandatory that the said candidate should have qualified in the respective National Level Test or in the GGSIPU CET 2024 or CUET wherever applicable.

The respective affiliated Colleges shall have to carry out Online Reporting of the candidates admitted through Management Quota on the same day of having completed the process of Management Quota Counselling as per the laid down procedure for Management Quota admissions.

Govt. of NCT of Delhi vide the Order No. F.No. DHE.4(4)/GGSIPU/2319/4674-76 dated 22.09.2023 has issued directions regarding Online Registration for Management Quota admissions on the University portal and display of Merit List on the portal to bring transparency/ clarity and efficiency in the admissions against Management seats in private institutions affiliated to GGSIP University.

As per the directions issued by Govt. of NCT of Delhi, GGSIPU shall make an online portal to display the branch-wise, College-wise seats available under Management Quota.

The Govt. of NCT of Delhi further directed that prospective students shall apply online against the available seats under Management Quota and all the merit list College-wise shall be published online.

A Management Quota Admission Monitoring Committee (MQAMC) is required to be constituted in each private institution affiliated with GGSIPU for grievance redressal and suggestions for further improvement in the admission process against Management Quota seats. The MQAMC shall comprise of the following:-

- 1. Nominee of the Vice Chancellor, GGSIPU**
- 2. Nominee of the Director, Directorate of Higher Education**
- 3. The Principal/ Head of the concerned affiliated institution**
- 4. The Admission In-Charge of the concerned affiliated institution**

- 1. The Rule 8 (2) (a) (ii) provides that the admission notice shall be displayed at least fortnight before the last date for closing of admissions for the concerned Programme in the University.**

Explanation:

The admission notice can be displayed even 03 months before the last date for closing of admissions for the concerned Programme in the University but it is mandatory that 14 days preceding the last date the admission notice must remain displayed.

This instructions have a logic and rational as the candidate will always be aware about the schedule of counselling happening in the University and will have definite knowledge of the likely last date of closing of admissions for the concerned Programme in the University.

2. The Rule 8 (2) (a) (ii) provides that the prospective applicants shall be given a period of **at least 18 days to apply for the seats under the management quota in the afore mentioned manner.**

Explanation:

This means that the notice will be at least 14 days prior to the last date for closing of admissions for the concerned Programme in the University but prospective candidates will be given 18 days to apply.

3. The Rule 8 (2) (a) (iv) provides that the institution concern shall prepare and display the Rank ordered merit list of such applicants on the institutional website **within 2 days of closing date for receipt of management quota applications.**
4. The Rule 8 (2) (a) (v) provides that the institution shall conduct admission counselling for allotment of branches/Programmes to the qualified applicants **within a period of 03 days of drawing up the merit list of qualified management quota applicants.**

Explanation:

The public admission notice scheduled states at least 14 days prior to last date of closing of admission for the concerned Programme.

18 days to be provided to the prospective candidates to apply for the seats under the management quota.

Thus, after 18 days period the Institute has to mandatorily upload the merit list within 02 days that means on 21st day the merit list has to be displayed and uploaded.

After display of merit list the institution has to conduct counselling within 03 days that means the institution must conduct counselling for management quota seats maximum on 24th day.

5. The Rule 8 (2) (a) (vi) provides that the **2nd round of counselling has to commence only 12 hrs after the publication of the list of applicants admitted in the 1st round of counselling.**

Explanation:

This provides that maximum by 25th day, the admission process for the management quota seats must be completed.

6. The Rule 8 (2) (a) (v) provides that **there shall not be more than 02 rounds of counselling and Rule 8 (2) (a) (vii) provides that the last date to fill up management quota seats will be 09 calendar days after regular admission in the University.**
7. The Rule 8 (2) (a) (ix) mandates that Institutes shall not be authorized to admit candidates after cut off date as mentioned in sub-clause (vii) that means **no admissions against the management quota seats after 09 calendar days after regular admission.**

Venue of Counselling & list of institutions along with the intake in the respective programme/s will be notified on the University's Website before the commencement of counselling.
2. The candidates should report at the notified venue, on the scheduled date and time for counselling for admission in-person along with the documents mentioned in the detailed counselling schedule. On reaching the venue, it is mandatory for the candidates to mark the attendance available with the admission officer. Allotment of seats to the candidates will be made only when he/ she attends the counselling session in person.
3. **The counselling participation fee shall be Rs. 1000/- (non-refundable) plus service charges and taxes as applicable. This fee shall be required to be paid by any (qualified) candidate desirous of taking admission through offline mode of counselling.**
4. Firstly, the candidates will be called in order of merit/rank, (for M.Tech Programme, the candidates will be called in order of qualified & valid GATE Score/Merit first, and if seats remain vacant, then on the basis of merit / rank) for all programmes other than M.Tech (Nano Technology) for which kindly refer to Admission Criteria mentioned in Chapter – 2. The candidates shall have to produce the required documents for verification, in the absence of documents, seat allotment can be refused. Depending upon the merit, the seats will be offered to the candidates as per availability of seat at that point of time. Each candidate will have to choose from/ out of those available when his/her turn comes.
5. A candidate who fails to appear in person on the notified venue, date and time for counselling, shall forfeit his/her claim for the seat which could be offered to him/her, had he/she been present on his/her turn. However, if the candidate reports late or reports on subsequent days during the process of counselling, he/she may be considered for allotment of a seat available at that point of time for a particular category to which he/she belongs.
6. A candidate who is allotted a seat will be required to pay notified fee immediately on the spot at the time of counselling for admission. If a candidate fails to pay the fee, as mentioned above immediately after the seat is offered to him/her, the offer will be withdrawn on the spot and the seat will be allotted to the next candidate in the merit list. Part payment or payment through cash/cheque will not be accepted under any circumstances.
7. Admission Officer will give a duly signed Admission Slip after the deposition of the complete fee (as required for the programme at the time of counselling and allotment of seat) by the candidate. No candidate should leave the venue of counselling without receiving the Admission Slip. The candidate must check details printed/written in the admission slip.
8. The candidates are also advised, in their own interest to check the details of fee paid, their name, rank, programme, institute of admission, etc. on Admission Slip issued to him/her by the Admission Officer before leaving the counselling hall. Any discrepancy in name, Choice of allotment of seat etc. should be brought to the notice of Admission Officer. No representation regarding wrong allotment of seats will be entertained if the candidate leaves the venue without raising any discrepancy, no entertainment of any discrepancy in Admission Slip will be done at later stage by the University.
9. The students admitted in first counselling would NOT be allowed to change the programme/ institute during the subsequent days of first counselling. 9.3 Applicable to PGMC, PGAC & PG HOMEOPATHY

9.3.1 Applicable to PGMC

Given below was the process for PGMC when the University conducted PGMC Counselling for GGSIP University Quota seats.

Pursuant to the directions by Hon'ble High Court of Delhi in the Writ Petition (C) No. 3043/2314, titled “Dr. Sandeep Dhama vs State & Anr”, the University procedure for admission to Postgraduate Medical Course is enumerated below. However, the candidates will be requested to visit the University website regularly for other details of counselling for PGMC programme.

The University shall conduct two rounds of counselling for admission to PG medical Degree/Diploma courses in the Academic Session only for the graduates of GGSIPU. 1st round of counselling will only be for the seats reserved for ‘GGSIP University Quota (State Quota)’. 2nd round of counselling will be for the remaining/unfilled seats from first 1st round of counselling; vacancy(ies) arising out of withdrawals & any other reason.

Registration for Counselling and Verification of documents

1. All the NEET PG qualified candidates will present themselves for ‘Registration for Counselling Participation and Verification of documents’, in person, on the scheduled date and time, to be notified by the University.
2. This ‘Registration for Participation and Verification of documents’ will be valid for both 1st and 2nd round of counselling. In no case, a candidate will be allowed to participate in the 1st and 2nd round of counselling unless he/she has registered for participation in the counselling.
3. Detailed procedure for 1st round of Counselling and 2nd round of Counselling is given below:
 1. **1st Round of Counselling**
 1. The candidates, who have passed MBBS from the affiliated medical colleges of Guru Gobind Singh Indraprastha University and have also qualified NEET PG 2024, will be called in the order of merit for first counselling for admission in Postgraduate Medical Degree / Diploma Courses (PGMC) counselling /admission for the Academic Session. The allotment of seats in PGMC during first counselling for the candidates who will be called will be done on the basis of 200 roster point subject to the fulfilling of all eligibility condition by the candidates as laid down by the University.
 2. At the time of allotment of seats 200 points roster will be followed in order of NEET PG merit. The specific Roster point will be used to call the candidate of that particular category and all the seats at that point of time will be offered to the candidate in all the institutes. This year, the Roster point will be operated from the next point on which the admission was closed last year.

Guru Gobind Singh Indraprastha University

“A State University Established by the Govt. of NCT of Delhi”

Accredited as NAAC A++ Grade

3. Since the roster points cannot be left blank, the conversion of seats of a category will be done during the first counselling itself. At the end of first counselling, if any seat remains vacant in any particular category for want of eligible candidate in that category, the seat will be converted as per the standard procedure of Govt. of India, which is as below :

While converting the seats, any unfilled seats reserved for ST category will be offered to SC category and vice versa and only after completing this exercise, the conversion of the reserved category seats to general category shall be effected. The OBC seats shall be converted to General Category after exhausting the merit list of the OBC category. It will be ensured that conversion of any seat shall be done only when all the eligible candidates have been offered that seat.

2. 2nd Round of Counselling

1. Calculation of Vacant Seats

- i. Seats falling vacant due to Withdrawals from the candidates, who had taken admission during first counselling, by the stipulated date and in a prescribed form;
- ii. 3. After submission of the details as mentioned in para 2, the candidate will get option of Online payment:
 - i. Net Banking /Credit Card and Debit Card.
4. The candidates are required to check the status of fee payment on the website (<http://https://ipu.admissions.nic.in>) and must take the printout of online fee confirmation receipt with the transaction details, to be retained for all future reference. In case of payment of fee through Challan, the candidate must retain the copy of the Challan after depositing the fees.
5. Candidates are advised in their own interest to complete the process of fee submission online much before the closing date and not to wait till the last minute to avoid transaction failure or any other technical fault due to congestion on web server on account of heavy load on internet/website.
6. If the fee is paid through credit/debit card and status is not ‘OK’, it means the transaction got cancelled and the amount will be refunded to concerned credit/debit card. Such candidates have to pay the fee once again.
7. In case of any problem regarding payment of fees, non availability of fee confirmation receipt on the website within the specified time as mentioned in point 4, candidate can contact Helpdesk of University to resolve the issue.
8. **Submission of registration fees of Rs. 1500/- is mandatory before initiating the process of enrollment by paying counselling participation fee of Rs. 1000/-. It is to inform that enrolling for Online Counselling by paying Counselling Participation Fee is mandatory for choice filling for further allotment of seat. The payment of Counselling Participation Fee is just a part of the counselling process and just payment of this fees does not entitle the candidate to admission.**

10.3 Enrollment for Centralized Online Counselling Process:

1. After confirmation of receipt of having paid the Counselling Participation Fee, for various programme, the candidate has to Enroll himself/herself within the specified period notified on the website.
2. The candidate during Registration, has already entered the programme code details in the admission website (<https://ipu.admissions.nic.in>) and after authentication, the candidate would have entered his/her personal /academic /contact details (with address, mobile no. & email ID).
3. During the Registration process, the candidate would have got login ID and password.
4. It is in the interest of the candidate to remember the password and keep it confidential, to avoid misuse by others for which University will not be responsible. The login Id and the password would be required by the candidate to complete the process of Enrollment and pay Counselling Participation Fee.
5. Change password: The candidates can also change the password if required using the change Password menu.
6. In case the candidate has problems in Online Enrollment, he/she needs to report in person to the Helpdesk of the University with the relevant proof of depositing the Registration Fee of Rs. 1500/- before the end of the Enrollment period.
7. **Editing Registration Details: Candidates can amend/edit the registration details filled in the registration form by choosing “Edit Details” option from the menu within the specified period of Enrollment and thereafter the candidate shall loose the right to claim any ignorance for having failed to do so within time.**
8. Candidates are advised to check all the filled in details before taking the print out.

9. All candidates must take print out/screen shot of the Registration Form as well proof of having enrolled for online counselling (receipt of Counselling Participation Fee). The document verification shall be carried out through online mode on the basis of information provided and updated by the candidate till enrollment period.

10.4 Choice Filling

1. Choice filling is compulsory for allotment of seat. Candidate will not be considered for online allotment of seat without the filled in choices/preferences.
2. After enrollment for online counselling, candidate has to fill choices for allotment, from the list of all possible combinations of all institutes and courses available, in the order of his/her preference, during the choice filling period.
3. Once the period for filling of choices/preferences is over, choices/preferences filled by candidate will be used for allotment of seat.
4. Candidates are advised and encouraged in their own interest to fill maximum number of choices, as it increases the possibility of getting the desirable seat. For the benefit of the candidates, the stream-wise and institute-wise and rank-wise Admission Rank cut off data is available on University Website and as relevant link in <https://ipu.admissions.nic.in>.
5. From previous experiences, it has been noted that some candidates fill up very few / limited number of choices, may result in non allotment of seat during seat allotment. Therefore it is once again advised that the candidates should fill as many choices as possible to ensure that they have better chances of allotment of seat.
6. Candidates, however, will be given the opportunity to edit/modify/add/delete preferences after allotment of seat in Round 01 for the subsequent round of counselling.
7. The candidates are also advised to fill choices/preferences, then save the same and then take the print out of the saved choices/preferences to be retained for future reference.
8. **Candidates and their parents are advised, in their own interest, to visit the various Colleges/Institutes affiliated to the University prior to the date(s) of counseling to ascertain the location, academic and infrastructural facilities available such as hostel, transportation etc. in the various Colleges/Institutes which may facilitate their decision-making at the time of filling choices for various Colleges/Institution during the Online counseling for allotment of seat as per his/her preferred choice . Any representation regarding location of allotted Colleges/ Institution at far away distance from place of residence or non availability of transportation shall not be entertained by the University.**

10.5 Result / Allocation of Seats in every round
