SUBJECT: SPECIAL PROVISIONS FOR THE STUDENTS OF CLASS X AND XII PARTICIPATING IN NATIONAL/ INTERNATIONAL SPORTS EVENTS AND INTERNATIONAL OLYMPIADS ONLY-REG

Madam/Sir,

As several initiatives have been taken by the Government of India to promote sports among youth, CBSE has also mainstreamed Health and Physical Education at the Secondary and Senior Secondary levels by introducing a mandatory period per day for sports, games, Health and Physical Education, Yoga & CBSE Sports etc.

For promoting sports and other educational competitions among youths, CBSE has been providing the following facilities to candidates appearing for class XII CBSE Examination alongwith participating in any such activities:

1. Since March 2018, CBSE has been providing a special opportunity to the students by conducting special examination(s) at a later date(s) for the students who are participating in National/International Sports Events and whose CBSE Board's examinations clash with the dates of National/International Sports events including dates of the journey for the events recognized by Sports Authority of India (SAI) and Board of Cricket Control in India (BCCI).
2. Since March 2020, CBSE has also been providing a special opportunity to the students by conducting special examination(s) at a later date(s) for the students who are participating in International Olympiads and whose CBSE Board's examinations clash with their dates of International Olympiad including dates of the journey for the Olympiad recognized by Appropriate Authority in India viz. Homi Bhabha Center for Science Education (HBCSE).

Through this initiative, CBSE ensures that students who aim for excellence in both academics and sports are given equal opportunities to grow, ensuring that neither area of their development is neglected.

६

These initiatives help students to stay fit and healthy while also teaching them values like discipline, teamwork and hard work. CBSE always works to support the complete growth of students by giving equal importance to curricular and co-curricular activities.
