Statement:

Opening a post office in City A is wasteful.

Assumptions:

I. There is an adequate number of post offices in City A.

II. Inhabitants of City A need post office.

Options :

- ✔ Only assumption I is implicit in the statement.
- ✖ Only assumption II is implicit in the statement.
- ✖ Either assumption I or II is implicit in the statement.
- ✖ Neither assumption I nor II is implicit in the statement.

Question Number : 5 Question Id : 1679436011 Question Type : MCQ Option Shuffling : Yes Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct : 1 Wrong : 0.25

Select the odd word pair from the following.

Options :

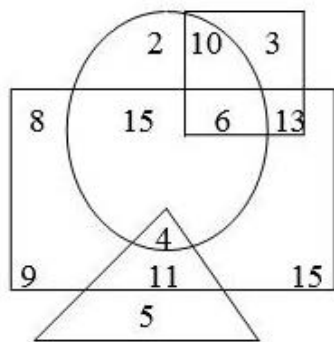

- ✖ Oil : Seed
- ✖ Paper : Pulp
- ✖ Rubber : Latex
- ✔ Angle : Radian

Question Number : 6 Question Id : 1679436012 Question Type : MCQ Option Shuffling : Yes Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct : 1 Wrong : 0.25

Study the given diagram carefully and answer the question that follows.

- (i) Circle represents 'urban'
- (ii) Square represents 'government employee'
- (iii) Rectangle represents 'female'
- (iv) Triangle represents 'educated'

Which of the following options represents the number of government employees who are not female, not urban and not educated?

Options :

✗ 4

✓ 3

✗ 10

✗ 13

Question Number : 7 Question Id : 1679436013 Question Type : MCQ Option Shuffling : Yes Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical
Correct : 1 Wrong : 0.25

From the options, select the pair that is similar to the following pair.

$7 : \frac{7}{48}$

Options :

✗ $6 : \frac{6}{36}$

✗ $8 : \frac{8}{82}$

✓ $11 : \frac{11}{120}$

✗ $15 : \frac{14}{224}$

Question Number : 8 Question Id : 1679436014 Question Type : MCQ Option Shuffling : Yes Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct : 1 Wrong : 0.25

Which letter comes immediately before the eighth letter from the extreme left of the English alphabet?

Options :

✗ J

✗ I

✗ H

✓ G

Question Label : Comprehension

Read the following passage and answer the questions that follow.

Life is as vast as space, but somehow we use our brain in a limited way. Our brain has been using thought as its instrument for millions of years. Thought created 'i'. This creation has had tremendous effect on the brain as it is limited to 'i'. Our whole life is lost in being a doctor, engineer or something else, and hence, we have pigeonholed ourselves into the roles of our professions. So our love is limited to our specific role. We have discarded the whole and limited ourselves to the parts. The profundity of life is lost.

Our mind is our thoughts and thoughts are nothing but what we talk to ourselves. Our mind is constantly chattering. It is a kind of inner self-talk, and it is constantly rehearsing the future, chewing its experiences. This is because you have no one to talk to, so you are talking to yourself. If you can peep into your mind, you will find that the mind is madness in motion. Perhaps someday, an instrument can look into the audio-video of our thoughts. Then it may become clear that it is some kind of madness operating. But we never look into ourselves, for if we look, we can see the madness of our minds.

The Katha Upanishad says, "We always look outward and never look within; thus we destroy ourselves. Only the courageous person looks within." When you face your madness with courage, then your intelligence will search for sanity beyond the maddening mind.

When you look deeply within, you will realise you are not mind, but there is an inner space where the mind exists. The mind is like a cloud, and you are the sky in which the cloud is floating. Only in that transcendence, madness of the mind will drop.

निम्नलिखित गद्यांश को पढ़कर पूछे गए प्रश्नों के उत्तर लिखिए।

भाग्य और 'पुरुषार्थ' वस्तुतः कार्य और कारण की तरह एक - दूसरे से जुड़े हुए हैं। पुरुषार्थ अथवा कर्म यदि नहीं है तो भाग्य कहाँ से टपकेगा और यदि भाग्य साथ नहीं दे रहा है तो हमारे भीतर कर्म की, पुरुषार्थ की सद्प्रेरणा और संकल्प पैदा कैसे हो सकेगा। इसीलिए कुछ कवि और विचारक दोनों में भेद नहीं करते। तुलसीदास जी ने कहा है-

कर्म- प्रधान विश्व करि राखा।

कोकरि तर्क बढ़ाबहि साखा।।

यहाँ कर्म और भाग्य को पर्यायवाची माना गया है तथा कहा गया है कि सारा संसार ही कर्म के अधीन है। हम जैसा कर्म करते हैं, वैसा ही फल भोगते हैं। फूलों के बीज बोने पर फूल और फलों के बीज बोने पर फलों की प्राप्ति होगी; किंतु कीकर रोपने से आम पैदा नहीं हो सकते और शूल फूलों में नहीं बदल सकते। मुंबई जाने वाली गाड़ी में बैठ कर हम देवी- देवताओं से कलकत्ता पहुँचने की कितनी भी प्रार्थनाएँ करें, पर गाड़ी हमें मुंबई ही ले जाएगी; किंतु हम मुंबई सकुशल पहुँच सकेंगे या नहीं, यह भी शत- प्रतिशत नहीं कहा जा सकता। व्यक्ति मुंबई का टिकट खरीद कर, ठीक समय पर ठीक गाड़ी में बैठता है, पर पहुँच जाता है अस्पताल अथवा स्वर्ग में। भाग्य की इस विडम्बना को भी कौन अस्वीकार कर सकता है? इसीलिए देखा यह जाता है कि संसारके बड़े-बड़े कर्मवीर, साहसी विजेता और धुरंदर प्रशासक भी भाग्य के तूफान में फँस जाने पर व्याकुल होकर कह उठते हैं।

देन चहै करतार जिन्हें सुख, सो तो रहीम टरै।

उद्धम पौरुषकीन्है बिना धन आवत आपहीं हाथ पसारै।।

अर्थात् ईश्वर जिन्हें सुख देना चाहता है, उन्हें बिना परिश्रम किए ही धन प्राप्त हो जाता है।

रहीम - जैसा कर्मवीर, सेनापति, जिसके जीवन के तीस से भी अधिक वर्ष युद्धभूमि में बीते, जो अपने समय का प्रक्यत कूटनीतिज्ञ, युद्ध- विशारद, भूगर्भशास्त्री, ज्योतिषी, कवि और विचारक था, वह भी भाग्य के क्रूर- चक्र में फँस जाने पर कह उठता है- यदि होनी अथवा भाग्य अपने हाथ में होता तो राम स्वर्ण-मृग के पीछे न जाते और रावण द्वारा सीता का हरण भी न होता। इसी प्रकार यदि पुरुषार्थ करने पर ही संपत्ति प्राप्त होती, तो भीम जैसा बलशाली योद्धा राजा विराट के यहाँ रसोइए का काम क्यों करता?
