Discipline is the most essential virtue you should acquire when you are young. It is a complex quality. It shapes your mind to religious, social and economic patterns when you grow up to be an active citizen.

At a young age, we do not realize the value of discipline. An athlete disciplines himself and keeps himself fit. He refrains from smoking, observes good food habits and keeps good health. Discipline increases the human energy and implies control, resistance and adjustment. Our energy is saved and made vital for a good output.
