Comprehension:

Read the given passage and answer the question that follows.

The exercise of vision building can neither be done by only restructuring the present realities nor by sheer dreaming. Vision, dreams and future expectations must merge into contemporary realities. Visions can be realised and transformed into realities by understanding, initiative, commitment and hard work and dreams can be transformed into realities if full trust is put in self, society and the nature.

Envisioning is a part of an individual's planning activities as also that of a nation. Nations, big or small, developed or developing, all conceive and construct future visions and prepare strategies to achieve them.

SubQuestion No : 17

Q.17 Read the above passage and identify the most appropriate one-sentence summary .

Ans ✗ 1. Vision and dreams are isolated

✗ 2. Visions can be realized, dreams cannot be realized

✓ 3. Both vision and dreams can be realized with right strategizing

✗ 4. Vision can be realized with hard work , intuition and aspirations
