Read the short passage below and answer the questions that follow.

was born in Alabama and, aged 9, the family moved to the Cleveland. His early life
by poverty, and he was forced to take many menial jobs such as delivering goods and
shoe repair shops. However, he was able to develop his passion for running and
an early age, he was identified as having great potential talent. In later life, he gave
o Charles Riley, his high school coach who encouraged him and made allowances for
n making evening training sessions because Jesse had to work in a shoe repair
Owens rose to national prominence in 1933, when he equalled the world record (9.4
the 100-yard dash. In the 1930s, America was a highly segregated society, and when
n the team, Jesse had to suffer the **indignities** of eating at separate restaurants and
erent hotels. His most famous moment came in the 1936 in the German Olympics
four gold medals — much to the annoyance of Adolf Hitler and the Nazi party, who
mpics would be a showcase to Aryan Supremacy, so to say, only his men would win
his later life, Jesse Owens became a goodwill ambassador for America and
er gave medals to German athletes on the first day, but, after Owen's victories,
o give any more medals.
