ead the short passage below and answer the questions that follow.

ations is an international organisation that was established in 1945 to help keep
It was established shortly after the end of World War II. In 1948 a special United
mission, headed by Mrs. Eleanor Roosevelt, the wife of US President Franklin D.
ote a special document which stated the rights that all people should have. This
called the "Universal Declaration of Human Rights." "Universal" means "of all the
world." A "declaration" is a formal announcement. “Human rights" are the rights that
nas, simply because he or she is human. The human rights are there to protect us
ve in peace. For example, "the right to life" is a human right. Each and every one of us
:o life, simply because we are humans. Another example is "the right to freedom of
all have the right to believe in what we want to believe, to have a religion, or to
e want. Studying and knowing our human rights is as important today as it was after
This is because when people don't know their natural rights things such as injustice,
n, intolerance and slavery can happen. The more aware people are to the United
ersal Declaration of Human Rights, the closer we get to a peaceful, free and fair
