- b) From Academic Session 2017-18, the criteria for PG Scholarship (erstwhile JRF) distribution, based on total number of seats in each subject, has been changed to average number of aspirants actually appeared in the AIEEA (PG) in the preceding three years. The number of PG Scholarships may vary depending on the number of candidates actually appeared for the examination in a particular Major Subject. Filling of ICAR All India Quota (AIQ) seats in PG programmes will be permitted in Agricultural Universities / Institutes under the ICAR-AU system.

- No certificates (other than PwBD/Category certificate, as applicable) are required to be uploaded along with the online application at the time of online submission.
- The documents/certificates etc., shall be verified directly at the time of admission in the admitting university. In case the candidate is found not-eligible at any stage, his/her candidature would be summarily rejected and admission will be cancelled.

- ii. Candidate should note that for admission to Master's degree programmes through entrance examination conducted by NTA, only the candidates having passed graduation with four/six (12+4/10+6 B.Sc. Ag./B.Tech.) / five years (B.V.Sc. & AH) / 5½ years (B.V.Sc. & AH) degree programme will be eligible.
- iii. Equivalence of Degrees will be decided by the admitting university only, as per the UGC Public Notice No.F9-3/2016(CPP-II) dated 19th July, 2016.
- iv. **The candidates having Bachelor's degree with 3 years' duration will not be considered for admission through ICAR AIEEA (PG)-2026 in AUs under ICAR-AU system except in few courses at three ICAR-Deemed to be Universities (DUs), viz. IARI, IVRI and NDRI for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission.**
- v. Further, in case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any Court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.
- vi. The Candidate must have passed Bachelor degree examination securing Overall Grade Point Average (OGPA) of at least 6.60/10.00 in ten-point scale, 5.88/9.00 in nine-point scale, 5.22/8.00 in eight point scale, 4.57/7.00 in seven point scale, 3.92/6.00 in six point- scale, 3.25/5.00 in five-point scale, 2.60/4.00 in four-point scale for General, OBC, UPS and EWS categories whereas for SC/ST/PwBD/Third Gender candidates, the said requirement is an OGPA of at

least 5.60/10.00, 4.98/9.00 in nine-point scale, 4.42/8.00 in eight point scale, 3.87/7.00 in seven point scale, 3.32/6.00 in six point- scale, 2.75/5.00, 2.20/4.00, respectively. In other cases, where grade points are not awarded and only marks are awarded, the candidate must have secured at least 60% marks for General, OBC, UPS and EWS categories whereas for SC/ST/ Third Gender /PwBD categories the requirement is 50% marks. (Please note that equivalence between OGPA and % marks will not be acceptable). There will be **no rounding-off of the OGPA/percentage of marks** of qualifying examination while deciding the basic eligibility of any candidate for admission e.g. if a candidate obtained 49.99% marks in his/her qualifying examination, then it will not be rounded-off to 50%.

- vii. The candidate must complete the undergraduate degree (other than Veterinary Stream) in all respects and should have all the degree- completion requirements on 31.07.2026; failing which they will not be considered for admission and the award of scholarships. In case of Veterinary Stream, this date will be 15.01.2027. Please note that ICAR/University will NOT be held responsible for denial of admission to non-eligible candidates.
- viii. The candidates (other than Veterinary Stream) who do not have the Degree/PDC, have to mandatorily produce a certificate from the Registrar of the concerned university specifically indicating that the candidate has fulfilled on 31.07.2026, all the requirements for the award of Bachelors' degree including his/her Final OGPA/Percentage of marks at the end of final semester/year. For Veterinary Stream candidates, such certificate should additionally include completion of internship and viva-voce on 15.01.2027.
- ix. The candidates should note that the university may deny admission in case the PDC/Degree completed by 31.07.2026 (15.01.2027 in case of Veterinary Stream), is not produced at the time of verification during online counseling. No correspondence shall be entertained by the Council in this regard.
- x. Since VCI has already issued instructions to Veterinary colleges to finish the Academic year for B. V. Sc. & A.H candidates during the month of December. Therefore, all the State Veterinary Universities (SVUs) and constituent colleges of veterinary sciences under the State Agricultural Universities (SAUs) have to synchronize the start of their Academic Session accordingly. Since the OGPA of such candidates would be available, and internship grades are reflected as satisfactory/unsatisfactory only, they would be deemed provisionally eligible to appear in the ICAR's AIEEA (PG) examination. However, such candidates will be mandatorily required to produce evidence of completion of graduation degree in all respects including successful completion of Internship training programme and viva-voce on 15/01/2027, during counselling in the allotted university.
- xi. **The admission of the candidates shall be valid only for the Academic Session (2026-27) in which the examination has been conducted by ICAR.**
