2.4 Syllabus for the Test of AICE-JRF/SRF (Ph.D.)-2026

The Question Paper for the Test shall be based on the Syllabus of Subjects as prescribed by the ICAR, available at website: <https://icar.org.in/node/21053>

2.5 Conditions for the Award of ICAR-JRF/SRF for Ph.D. programs-2026

From Academic Session 2017-18, the criteria for ICAR-JRF/SRF (erstwhile ICAR-SRF) distribution, based on total number of seats in each subject, has been changed to average number of aspirants actually appeared in the AICE-JRF/SRF (PhD) in a particular Subject in the preceding three years. The number of fellowships is tentative and may vary depending upon the number of candidates actually appeared in the examination in a particular Subject. It will finally be known only at the time of counseling. The conditions for the award of ICAR-JRF/SRF for Ph.D. programs are as under:

1. ICAR-JRF/SRF (Ph.D.) will be awarded on the basis of merit secured in the AICE-JRF/SRF (PhD)- 2026 examination leading to admission in Ph.D. degree programme in AUs, viz. State Agricultural, Veterinary, Horticultural and Fisheries Universities (SAUs); ICAR-DUs, i.e. ICAR- IVRI, IARI, NDRI, CIFE; Central Agricultural University, viz. CAU Imphal, Manipur, Dr. RPCAU Pusa and Central Universities having faculty of agriculture, viz. Banaras Hindu University (BHU), and Nagaland University (School of Agricultural Sciences and Rural Development). **The fellowship will NOT be available for admission in any university other than the AUs as mentioned above.**
2. The fellowship will be admissible to persons of Indian Nationality as defined in the

Constitution of India or persons domiciled in India.

3. The admission and fellowship would be granted only when the candidate seeks admission through counseling conducted by ICAR and pursues Ph.D. degree in an AU.
4. The award of fellowship shall be considered valid only if the candidate actually seeks admission in a particular University, failing which it shall be deemed to have been withdrawn and shall automatically become infructuous.
5. If a candidate finally awarded ICAR-JRF/SRF (Ph.D.) at the completion of counseling seeks admission in a university and subsequently leaves the degree programme for any reason, there will be no transfer of such fellowship to the candidate next in merit rank.
6. The fellowship will take effect from the date the fellow joins the course or the start of academic session for which fellowship has been offered, whichever is later. Students must take admission for the relevant degree program within the same academic session failing which admission and fellowship shall stand withdrawn automatically. It will not be extended under any circumstances.
7. A fellow will not be allowed to avail any other scholarship/fellowship during the tenure of fellowship of the Council. In case a candidate is already receiving any other scholarship/fellowship, it will be surrendered by him/her before accepting the ICAR fellowship. **Duration of ICAR-JRF/SRF (Ph.D.) will be normally for three years.**
8. If an existing ICAR-JRF/SRF (Ph.D.) holder seeks fresh admission, the entire amount of fellowship received by him/her shall have to be refunded with interest and he/she will not be entitled for fresh ICAR-JRF/SRF (Ph.D.), however, admission would be granted as per his/her merit rank.
9. Candidates already pursuing Doctoral Degree Programmes can also apply for fresh admission and compete for ICAR-JRF/SRF provided they have not completed two years as on the date of examination. The candidate should ensure this at the time of applying for the examination. **The onus of verification shall lie with the admitting University.** The duration of fellowship in such cases, however, shall not exceed 3 years, including the period of study already availed for Ph.D.
10. Admission and JRF/SRF (Ph.D.) will be awarded subject to verification of credentials by the University where the candidate seeks admission.
11. Candidates qualified for counseling or allotted the seat with/without JRF/SRF (Ph.D.), may seek admission only during the session for which the examination has been conducted. They are not entitled to claim for admission/fellowship in other academic sessions / subsequent years based on this year's examination.
12. The amount of fellowship will be at the rate of Rs.37,000/- per month for the 1st and 2nd years (JRF) and Rs.42,000/- per month for the 3rd year (SRF). Contingent grant of Rs.10,000/- per year for procurement of essential chemicals, books, and travel connected with research work will be uniformly paid to all the awardees including in-service candidates. Not more than 50% of the contingent grant will be spent for purchase of books. All purchases are to be made with the approval of the Major

Advisor/Chairman of Student Advisory Committee.

13. In case of in-service candidates, admission and fellowship will be granted provided the candidate joins the University other than where he/she is working. For such candidates, in receipt of full/partial leave salary from their parent organization, the amount of ICAR JRF/SRF (Ph.D.) shall be limited to Rs.3,000/- in addition to the research contingency as applicable to fresh candidates.
14. The fellowship will be tenable only at the University where Ph.D. programme consists of both course and research work.
15. The JRF/SRF (Ph.D.) holder will be required to maintain an OGPA/CGPA of 7.00 out of 10.00 (6.50/10.00 for SC/ST/PwBD) at the end of each year of the study.
16. The award of JRF/SRF (Ph.D.) shall be governed by the rules and regulations issued and as amended by the Council (vide O.M. No. AG.EDU.6/27/2014-HRD dated 30 July 2019) from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

Note:

- **5% reservation in JRF/SRF (Ph.D.) for PwBD category will be horizontal across all categories, i.e. such candidates would draw fellowship from the GEN/SC/ST category to which they belong. If the JRF/SRF (Ph.D.) is not available in a particular category to which the PwBD candidate belongs then the same would be drawn from General category, if available.**
- There will be no transfer of ICAR-JRF/SRF (Ph.D.) even if a candidate awarded ICAR-JRF/SRF (Ph.D.) at the time of counseling leaves the degree programme in between for any reason.
- There is no reservation of ICAR-JRF/SRF (Ph.D.) for candidates of Gen-EWS, OBC (NCL) and UPS category. They would be entitled for ICAR-JRF/SRF (Ph.D.) based on overall merit.
- ICAR-JRF/SRF (Ph.D.) shall be awarded only after the completion of Online Counseling.

Eligibility Criteria and Qualifications

3.1 General Eligibility Criteria to Appear in AICE-JRF/SRF (Ph.D.)-2026

1. Indian nationals who have passed **Master's Degree programme** with a minimum of Overall Grade Point Average (OGPA) as shown in Table 2 will be eligible. In other cases, where grade- points are not awarded and only marks are awarded, the candidate must have secured a minimum percent score as shown in the Table 2.
2. Further, in case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any Court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.
3. The candidates having Bachelor's degree with 3 years' duration will not be considered for admission through ICAR AICE-JRF/SRF (Ph.D.)-2026 in AUs under ICAR-AU system except in few courses at IARI and NDRI for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission.
4. Equivalence of Degrees will be decided by the admitting university only, as per the UGC Public Notice No. F9-3/2016(CPP-II) dated 19th July, 2016.

Table 2: Minimum OGPA/Marks in the Eligibility Examination required to appear in AICE JRF/SRF

Categories/ Scale	OGPA							Marks Secured
	10 point Scale	9-point scale	8-point scale	7-point scale	6-point scale	5-point scale	4-point scale	Percent (100 Point)

4. Candidate must ensure that he/she fulfills the eligibility requirements for the examination as well as admission as detailed in the Information Bulletin. Applying for AICE-JRF/SRF (Ph.D.)-2026, appearing in the Examination and qualifying the same does not necessarily mean acceptance of eligibility. The applicant for a particular Subject must satisfy the eligibility criterion as specified in this Information Bulletin (or its amendments/corrections).

- No certificates (other than PwBD/Category certificate, as applicable) are required to be uploaded along with the online application at the time of online submission.
- The documents/certificates etc., shall be verified directly at the time of admission in the admitting university. In case the candidate is found not-eligible at any stage, his/her candidature would be summarily rejected and admission will be cancelled.

- The candidate must complete the postgraduate degree in all respects and should have all the degree- completion requirements on 31.07.2026; failing which they will not be considered for admission and the award of fellowship. Please note that ICAR/University will NOT be held responsible for denial of admission to non-eligible candidates.
