Note:

1. In case, 02 (two) or more candidates secure the same total (aggregate) marks, their seniority in the final merit/selection list has been decided upon the marks obtained by the candidates in the Final Combined Competitive Examination. The one who secures higher marks in the Final Combined Competitive Examination will rank higher in the Merit List. If the marks secured in the Final Combined Competitive Examination are also the same, seniority will be determined by the marks obtained by the candidates in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination. The one who secures higher marks in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination will take precedence in the Merit List. If the marks secured in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination also turn out to be equal, then seniority will be determined by their age. The candidate older in age will rank above the others in the Merit List. In case of same Date of Birth, the principle of determining seniority will be decided by the Board.

2. The list has been prepared on merit basis, that is, if a candidate scores higher or equal to the cut off score of UR candidates he/she has been provisionally recommended under UR category irrespective of his/her category.
