Context:

- **SAS Infra's ambitious residential project, 'The Crown,'** has etched its name in the Hyderabad skyline as **South India's tallest tower**, proudly **surpassing the 200-meter mark**.
- This architectural marvel stands tall at an impressive **235 meters**, **boasting 57 luxurious levels designed to redefine contemporary living**.
- It is the **first project in South India** to achieve such a towering height, further asserting its position as the **tallest point in Hyderabad**.

No TS college in NIRF top 50 list in past six years

Context:

- **Government and private medical colleges in TS** have not featured in the **top 50** in the **National Institute Ranking Framework (NIRF)** in the last six years.
- A **total of 176 institutions** participated in **2023** of which **only four** were from **Telangana** and **none** were **government medical colleges**.

About:

- **Established in 2015** by the **Ministry of Education (MoE)**, **NIRF** aims to **objectively rank higher educational institutions (HEIs)** across various categories.
- **Rankings are based on five comprehensive parameters:**
 1. Teaching, Learning & Resources (TLR)
 2. Research and Professional Practice (RPC),
 3. Graduation Outcomes (GO)
 4. Outreach & Inclusivity (OI)
 5. Perception (PER).
