Telangana State Regional News

<p>T-Fiber project</p>	<p>Why in news?</p> <ul style="list-style-type: none"> The Telangana government's T-Fiber project, aimed at providing high-speed broadband to households, government institutions, and private enterprises through an optical fibre backbone, is now set to move beyond the proof of concept (POC) stage. <p>Key Points:</p> <ul style="list-style-type: none"> The Telangana government's "T-Fiber" project aims to deliver affordable, high-speed broadband internet access to every household and institution in the state. The initiative will lay an extensive fiber optic network across Telangana, enabling digital services such as e-governance, e-health, and e-commerce in both rural and urban areas. The project leverages existing infrastructure, including the Mission Bhagiratha water pipeline network, to efficiently deploy fiber optic cables throughout the state. This project is a step towards realizing the vision of a "Digital Telangana."
<p>Tuberculosis (TB)</p>	<p>Why in news?</p> <ul style="list-style-type: none"> Scientists gather at CSIR-CCMB to tackle TB challenge <p>Key Points:</p> <ul style="list-style-type: none"> Tuberculosis (TB) is a bacterial infection spread through inhaling tiny droplets from the coughs or sneezes of an infected person. It mainly affects the lungs, but it can affect any part of the body, including the tummy (abdomen), glands, bones and nervous system. India's National TB Elimination Programme is strengthened to meet the goal of ending the TB epidemic by 2025 from the country, five years ahead of the Sustainable Development Goals (SDG) for 2030. The National Strategic Plan for Tuberculosis Elimination(2017-2025) was developed to achieve the goal. Though the National Strategic Plan for Tuberculosis Elimination (2017-2025) outlined a paradigm shift in approach and strategy to achieve the ambitious goal, by 2020, it became clear that the NSP will not be able to meet these objectives.

	<ul style="list-style-type: none"> A new National Strategic Plan for Tuberculosis Elimination (2020-2025) to end TB was launched.
'Best Airport Staff in India and South Asia' for 2025	<p>Why in news?</p> <ul style="list-style-type: none"> Hyderabad's Rajiv Gandhi International Airport (RGIA) has earned the title of 'Best Airport Staff in India and South Asia' for 2025, awarded by Skytrax. This is the fourth time RGIA has received this recognition. <p>Key Points:</p> <ul style="list-style-type: none"> The award recognizes the exceptional quality of staff service at Hyderabad Airport, evaluating factors such as attitude, friendliness, and efficiency across various frontline positions. These include customer help and information counters, immigration and security staff, as well as personnel in shops and food and beverage outlets. Skytrax, established in 1989, is known for its comprehensive assessments of airports and airlines worldwide, assigning star ratings based on diverse factors that significantly impact the passenger experience.
Hyderabad-Amaravati greenfield expressway	<p>Why in news?</p> <ul style="list-style-type: none"> Decks have finally been cleared for the much-awaited Hyderabad-Amaravati Greenfield Expressway, which will connect the capital cities of Telangana and Andhra Pradesh. This marks the end of an over 11-year wait since the bifurcation of the erstwhile united Andhra Pradesh. <p>Key Points:</p> <ul style="list-style-type: none"> The Hyderabad-Amaravati Greenfield Expressway is a proposed infrastructure project aimed at enhancing connectivity between Hyderabad, the capital of Telangana, and Amaravati, the planned capital of Andhra Pradesh. This expressway is expected to significantly reduce travel time and distance between the two cities, fostering economic growth and regional development. By improving transportation efficiency, the expressway aims to boost trade, tourism, and investment between the two states, contributing to balanced regional development.
